

Jayu is always smiling. She stays happy, rarely does she get angry. She is very particular about doing her work properly, whether it is shramdaan, any group activity or a project.

ENGLISH LANGUAGE

Jayu is a smart girl who knows what is being done in class. She is much better with her spellings and she is able to write neatly.

She has improved her sentence construction in her stories. She is beginning to get a hang of grammar, a step closer to applying it.

She likes to read and reads a steady pace, learning new words but needs to be told 2-3 times. Her writing is good but she tends to cross check what she is about to write even though she knows she is right. She could be more creative if she allows herself. Very vocal in class.

PROJECTS AND ACTIVITIES

Extremely bright and cheerful, she is one of the quickest learners in the group.

She is relatively independent and finishes her work well in

time. She initiates additional allied work for herself showing signs of being responsible for her learning.

She is motivated and eager to pursue most tasks and especially enjoys enacting in plays. At times, the mischief she sparks around grows itself into explosive bursts.

ENVIRONMENTAL SCIENCE

She is a good student. During the class she listens carefully. She asks questions to clarify points.

MATH

Jayu takes time to understand the concepts. At present she is doing the level 4 book. She is confident in four operations.

She is able to do the simple problems independently while she requires help in solving the word problems.

She has a good understanding in fractional numbers. Sometimes she does mistakes while doing division of larger number.

HINDI LANGUAGE

Jayu has good concentration. She reads very nicely and carefully. Sometimes she stops while reading big words and takes help of Didis regarding how to pronounce.

While writing she makes some mistakes in matra's. There is also clarity in her speech.

ODIA LANGUAGE

Jayu is very good friends with Swati and Tanushree. All three like to sing together.

She is also learning to read and write. Her understanding is good.

Sports

Jayu enjoys playing basketball most. She tries to dodge and dribble with much enthusiasm.

She also likes fun games and hide & seek.
