

Kabir Krisani

Date of birth- 22nd Feb - 21

Annual report for 2023 - 24 (Second term)

Introduction:

Kabir is an adorable boy who eagerly looks forward to attending school regularly. Initially quiet on his first day, he quickly adapted and now enjoys playing with blocks and running around with his friends, particularly his best friend Dipti.

Circle Time:

During circle time, Kabir endeavours to sit attentively and participate in the activities. He tries to chant the various mantras and

songs taught by the teachers, gradually improving his ability to recite them aloud. He particularly enjoys singing songs with actions and has learned several, including "Dhobi Aaya," "Stutiyan Aaradhana," "Tan Ho Sundar," "Row Row Boat," "Hathi Aaya Jhumke," "Machli Jal Ki Rani Hai," "Nache Re Mor," and "Nache Meri Mor."

Activities:

Although Kabir tries to sit properly during activities, he sometimes gets

distracted and runs around. He enjoys scribbling on paper and playing with paint colours, making an effort to complete his tasks.

English:

During English class, Kabir sits attentively and focuses on listening to stories. He delights in looking at pictures and touching books, actively trying to learn new words such as "sun," "flower," "elephant," "tree," and "bird."

Maths:

In maths class, Kabir is learning to count up to ten. He makes an effort to sit properly and repeat

after the teacher, enjoying playing with objects and creating designs with them.

Programs:

Kabir enjoys attending school programs, although he may occasionally get distracted during the events. During a program on the Mother's Birthday, he performed the song "O Sweet Mother," albeit with some nervousness due to it being his first time on stage.
