

Bablu Guntha

DOB-02-May-16

Report for 2022-23 (1st Term)

Bablu is the teddy bear of Bliss group. He happily comes to school every day and is neat and clean. He can brush his teeth by himself. He eats food without spilling and can wash his plate by himself. He can clean himself and the toilet after using the toilet. During chanting time, he sits nicely and chants all the mantras loudly and clearly.

GAMES

Bablu is an active and happy boy who co-operates with everybody. His thinking power and speed are very good, and now he is improving his balance, observation and alertness also. He has problem in stretching but he is trying his best. He is good at games and at running; he plays with everybody and he does well in many games. He likes to play with Pooja and Ankita the most as they are his best friends. His favourite games are “Apple-apple banana”, “Crab walk”, “Kho-Kho” and “Tom and Jerry”.

LANGUAGE (Hindi)

Bablu loves to sing with action. In chanting time, he sits nicely with eyes closed and chants in a clear and loud voice. He is interested in participating in plays and is able to learn his dialogues quickly as he is an attentive child. He is also able to recognise the colours and name them. His creativity is good - he can create short stories by himself and narrate them. He likes to listen to the stories narrated by didis. When some question is asked, he tries to give the answer. On "Janmashtami" he did a play in Hindi named "The fruit-seller" - in which he did Krishna's role. He had remembered his lines very well but he took some time in saying them as he was not able to pronounce some of the words. It was his first play - when he was performing on stage, he was a little nervous but his voice was loud and clear. In the group also, he does short plays for his language development.

LANGUAGE (English)

Bablu is fully concentrated in the class. He asks questions when he has a doubt. He has improved in his pronunciation. He knows all the basic things. He knows the opposite words. He likes to listen to stories the most. He gets very excited when he is going to listen to stories. He can narrate the story again on his own. He likes to hear the stories narrated using big picture books. He can identify most of the pictures.

He participates in all the activities. He has interest in all the work given and finishes his work fast. He did a play named "The enormous turnip", in which he had taken the role of a boy. He learnt his dialogues very quickly and he enjoyed doing this play very much. He has learnt two rhymes - "Chai chai coffee coffee" and "Old Mac Donald had a farm". He learnt these rhymes very fast. He enjoys doing the action of these rhymes. He sings in a loud and clear voice.

MATHS

Bablu is a cheerful child. He has a good memory. He sits nicely and attentively during activity time. He has learnt colours, 1 to 100 forward counting and backward counting till 20 and after and before numbers till 20. He always wants to learn fast but he takes some time to understand the words. He also listens to his friends and helps them. When he gets distracted, he starts talking with his friends.

CO-CURRICULAR ACTIVITIES

Bablu has a good concentration power. He likes to do all the activities. He finishes the work given to him. Bablu makes the drawings patiently and he can draw birds, tree, and clouds. He makes beautiful drawings using different colours and is able to fill up the picture

properly. He can identify all the colours. In paper folding, Bablu folds the paper very slowly. Bablu likes to do cutting and pasting, and he is very fast in this activity. In pasting, Bablu pastes the paper with good concentration. His quilling activity is also very good. He enjoys while doing the work. Bablu enjoys dancing but he dances like a teddy bear. He is slowly developing his motor skills.

CELEBRATIONS

Bablu likes to dress and do makeup the most. After getting a makeup, he feels very excited. He has no stage fright and his voice is loud and clear

on stage, but he takes some time to remember his dialogues and pronounce them correctly.

On 11th August, he celebrated “Raksha bandhan” and had sweets with his friends and other groups. He made a quilling *rakhi* for himself in the group. On 15th August, he recited a poem “A tree” and did a dance on “Nanha munha rahi hun” with his friends. On 18th August “Janmashtami” day, he played the role of Krishna very nicely. On 31st August, he sang a song “Jai Ganesh” with his friends. On 31st August, he sang a song “Jai Ganesh” with his friends.
