Introduction

Sanju is seven years old. She attends school regularly and enjoys being there. She always comes to school neatly.

English

Sanju is a fast learner who speaks clearly and confidently. She recognizes alphabets, knows sounds, and can

arrange them in correct order. Sanju is attentive during story time and shows interest in learning new songs.

Project

Insects topic

Sanju has developed a keen interest in observing the insects. She enjoys watching them closely and remains focused. She has learnt the names of various insects and can recognize them with ease. She has also shown great interest in drawings. She learnt the songs of insects.

Shapes

Sanju enjoyed learning shape names by seeing and touching objects and through books. She particularly liked using Jodo straws and playing the shape maze game, where she had to jump on a shape and say its name. She also enjoyed learning shape songs.

National Symbols

Sanju was interested in learning about India's national symbols and enjoyed the songs and stories related to them.

Math

Sanju is making a significant progress in her maths skills. Being able to write numbers up to 500 and understand place value shows a solid foundation in math. She is able to solve the basic operations and gives correct answers of story sums. She can represent number till 100 on the abacus of two codes. But finds difficulty in calculating when the number increases. In the beginning, she was very slow to do calculations using Abacus but gradually she has coped. With time and consistent practise, she will start feeling more comfortable working with big numbers.

Singing and Drama

Sanju is best at remembering dialogues. She is interested in doing dance when she likes the song. She has learnt the alphabets and is now trying to read three letter words.

Art

Sanju is focused and attentive learner who actively participates in the class activities. She concentrates and follows instructions carefully. She is focused while making drawings. She needs to improve in paper folding and quietly solves the puzzles.

Games

Sanju loves to play different games every day. She enjoys playing games and does the exercises properly. She is very happy doing exercises with her friends.
