

# Santosh Krisani

DOB- 17<sup>th</sup> April'13

## Report for 2022-23 (Second Term)

### Maths:

He is learning multiplication of 2 and 1 digit. He finds it difficult as he is still learning the tables. He has learnt addition, subtraction and skip counting. He makes mistakes in subtraction. He solves word problems correctly. But he has to work hard to progress. When something new is

taught, then he sits very quietly and listens.

### Projects:

**Shelter:** In this topic he learnt how to make multi-storeyed building with clay and enjoyed making it with his friends. He has learnt about, what is

shelter and a house and also what all materials are used to make different types of houses. He is able to make out the difference between pucca and kuchha house. He needs to focus more in the class. He needs to answer the questions and also ask questions.

**Transports:** He liked this topic and learnt many new things about transport and saw pictures of different types of vehicles. He made the drawing of oil tanker on a chart paper. He participated in the water transport project and made a model of oil tanker with clay all by himself. He had participated in the land transport group.

**Plants:** Santosh learnt about how plants grow, and the process of the leaves making food for the plant. He enjoyed venturing into the Ashram garden and saw many new plants such as strawberry. His

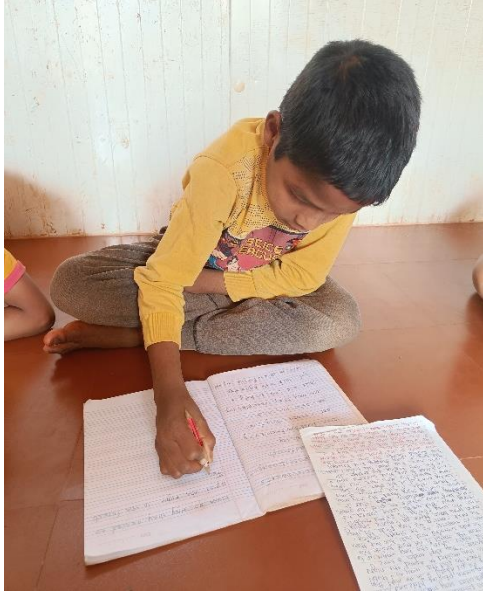

favourite plant is strawberry, but he like eating apples the most. After completing this topic, he realized that one should not cut trees as they provide us with many useful and valuable things.

### **English:**

Santosh has started reading books. He can read ladybug books of levels 1,2,3. Level 4 is a bit difficult for him to read. He can break words and read, but the big

words are a bit difficult for him to break and read. He can understand the stories he is reading. He has started writing. He can write all the big and small alphabets and small sentences. He needs to practise his handwriting. He can create his own stories and make drawings based on the stories. He speaks in English in the class. Santosh is very quiet in the class and when he is asked a question, then only he answers. To improve his comprehension, speaking and vocabulary, he listens to stories and watches English movies. He had taken the role of a guard in the play 'Wizard of Oz' and could remember his dialogues. He did his best in the play. He keeps learning new songs and poems in the class.

### Hindi:

He is good in studies. He is able to recognise all the alphabets, matras and is able to pronounce the words properly. He

has started reading short stories

fluently, is able to understand them clearly and can explain the same story without hesitation. He has started writing alphabets with matras and writes in a neat and clean hand. He is more interested in reading than writing. He is very interested in learning new things and always participates in the group. He has learnt a few songs and was very keen in learning Ae malik tere bande hum, Hind Desh, Teri bina ki ban jaun tar and Thandi hawa chali hai and was

able to catch the lines very quickly. On Christmas he danced on Thandi Hawa Chali Hai. He danced very well with confidence.

### Arts and crafts:

He is a sincere boy and talks very sweetly. He does his work with concentration and enjoys all the activities. He has a little difficulty in cutting paper and in paper folding. His drawings are very beautiful; he tries to cover all the space while drawing; his colouring is very attractive. He has

improved a lot. He made jewellery box, rafting boat, parrot, flowers in paper folding. In cutting and pasting he had made flowers and bird. Among all these activities he liked to make bird the most. He is very friendly and always finishes his work fast, which is very neat and clean.

### Puzzles:

Santosh is very happy solving puzzles and has no difficulty in doing it. He is very focused and concentrated solving puzzles.

## Games:

Santosh does running and exercises and plays games properly, although he's not very strong physically. He plays all the games happily. He is very energetic and

aggressive while the game is on. He enjoys playing football. He can kick the ball very hard. On sports day he performed

gymnastics, yoga and participated in obstacles race and relay. He can do flips, forward role in gymnastics. He was a little scared while doing rope crossing.

## Trip:

He visited many places and he liked it very much because it was his first

trip. He enjoyed looking at new things. In Konark and Lingaraj temple he was surprised to see that the temples are made up of only stones. He was awe struck by the Sun Temple. He saw the wheels of the sun temple. In the Nandankanan Zoo he saw many animals and birds like Bear, Tiger, and Snakes. But

from all the animals he liked seeing the giraffe most, because he saw a

tall animal for the first time. He was very excited to look at the animals and birds which were of many varieties.

### **Celebrations:**

He had taken the role of a guard in the play 'Wizard of Oz'. He likes to wear all types of costumes. He is very shy while speaking on the stage and his voice is not audible.
