

Sandhya Bishoi

DOB-11-Feb-11

Report for 2022-23 (first term)

Maths

She shows interest in learning Maths. She works with her attention throughout the class. She

understands the concepts easily. Whatever questions are given to her, she solves them. If she is unable to solve, she asks for help. She has learnt like and unlike fractions, numerator and denominator, arranging in ascending and descending order. She recognizes different shapes and knows their names. Sometimes during checking, she herself recognizes her mistake and happily corrects it.

She enjoyed the activities related to money and measurement. She is able to convert the units and is able to do word problems related to it. There has been an improvement in reading and understanding the questions from before. She is able to solve the simple questions mentally.

Sometimes she finds it difficult to solve multiplication and division of 2-digits numbers.

Sandhya is doing book three. She can understand word problems and applies the correct operation to solve. Now she is much better in reading. She listens very carefully and also answers the questions in class. Most of the times she makes silly mistakes in calculations. She is clear in fractions and has learnt proper, improper, mixed, like, unlike and unit fractions. She can explain these confidently. In time concept she knows use of am and pm. Converting hours to minutes. Now she is more confident in finding place value, face value and number period.

English

Sandhya is a very intelligent girl. She is always eager to learn. She likes to read books. She has improved her reading. She can now read fluently. During group reading, she is very fast. She asks questions when she doesn't understand. For 5th July she took the character of a girl. She could remember the lines very fast. She has a loud and clear voice. She likes dancing. She did a dance 'sawar loon' and was able to do the steps but one step was difficult for her. During the performance she was feeling nervous but took courage and did it. She danced well. "Surrender" poem was difficult for her to remember but she gradually remembered it. She was leading the poem during the performance. "Sunday" poem was easy for her to remember. She performed it without any fear. She can understand the

communication book by herself and can solve the questions and answers. She likes English class. She likes to read books. She has started issuing some reading books from the library to read in her spare time. Some of the books that she has read are Ugly Duckling and the Little Red Riding Hood. Every day she reads books. She is very fast in learning a new song. She loves to sing and dance. In grammar she has learnt vowels, nouns, verbs, articles, adjectives, and adverbs. She is very good at these. She has a good memory, she does not forget very easily after learning. She is very interested in doing short plays. She can read on her own and can do all the exercises that are given in good grammar. When she does not understand, then she comes and asks.

Hindi

She is really an attentive, and hardworking girl. Her reading and writing are both excellent, and she does everything cheerfully. She loves reading books and she is also very creative. She is attempting the grammar of 4th class and she finds it a bit difficult, and the abhyas pustak of class 3rd. She does all the questions given in the book by herself before anybody has finished. She is a curious child. She loves to learn new thing. During the class when the teacher asks the questions, she is the first one to answer. She does her work very nicely in a neat and clean handwriting.

She has a good memory. She easily catches things fast. She is interested in doing everything. She knows Hindi grammar numbers very well. Her handwriting is very neat and tidy. Her speaking skills are very good and she is able to tell stories very fluently. She can read and understand. Her pronunciation is very good. She concentrates in the class.

Odia

She said about her Odia class:

"I like to do Odia class. My mother tongue is Odia so I like to learn Odia. First, I studied the lowest level of Odia book. Then class 1, 2 and now book 3. In Odia class we read stories, sing songs, learn

from our textbook. We have done an action song where I was doing the role of Mother Durga. I was sitting on the lion and was holding a trident. I was very happy because I wanted to be like Maheshwari. During Sri Aurobindo's Birthday celebrations, I gave a speech on Sri Aurobindo. First, I was a bit nervous but somehow I spoke and got the 1st prize. I got the first prize in Essay writing as well."

Trip I was very excited as it was the first trip in my life.

Before this I had never gone for a long trip, visiting many beautiful places. This

trip of mine was to south India, where I was mesmerized by seeing such beautiful monuments, temples, etc. The places I went to visit were Rameswaram, Auroville, Pondicherry, Sea beach, I also went to some of the departments in Pondicherry ashram, Vivekananda rock, Kanyakumari, Madurai, Simhachalam and Arvind Eye hospital in Madurai. I enjoyed visiting all the places in south India with all my friends.

Games

Before playing, she does her exercises of joints for warm up. She

loves doing exercises before games because it's good for her health. She plays football, basketball, volleyball and minor games like king kabaddi, dodgeball, base kick

ball, chain game, etc. Her favourite game is basketball because when she is playing basketball her group does not fight with each

games.

other. I like to play basketball. First, we do exercises, then we run, then we play. I play football, basketball, volleyball, dodgeball, hide and seek, rani kabaddi and base kick. Every day I go to play. I like to do exercises and running. Games are easy for me. On Sundays we play football. When we play football, I like being the goalkeeper. I like

Yoga

I like yoga. Every morning I go to do yoga. I like tree pose, rabbit pose, shoulder stand, headstand and pashchimutaasana. I can't do headstand as it is very difficult for me. When my kitchen duty comes, I don't go to do yoga.

Shramdan

At 6:30 in the morning I go to do myshramdan. I like school cleaning because I want to clean our school. I do kitchen, toilet cleaning, hostel cleaning and school cleaning. In kitchen I cut potatoes and onions. In toilet cleaning I clean the toilets and bathrooms, then I go to clean the basin.

Celebrations

I am very interested in celebrating all the festivals. I loves to dance even though I am very stiff in dancing. She is very keen in learning and performing dances. She loves to do plays, but she is more interested in dance. On 7thMay she had sung a song 'aloamar' in Bengali and hadrecited a poem 'Sunday' on

Rabindranath Tagore's birthday. On 14th June she celebrated rojo, a swing festival, for the first time and she enjoyed it very much. She loved eating podo pitha on this occasion. On 5th July, on our school's birthday she had done a dance on 'savar loon' song, and a song in Odia 'eiamobidyalaya' and a play in English 'the woodcutter and the tree'. 15th August was very special so we had celebrated it in a different way by doing competitions in poem writing, essay writing, drawing, quiz and singing. For these competitions there were prizes which we got on 15th August. 1st prize was umbrella, 2nd prize was bottle and 3rd prize was tiffin box. In these competitions I won in singing so I got an umbrella

and I got two 2nd prizes for essay writing and speech where I got two bottles. On 13th August I did havan for chachaji's birthday. On 15th August I had participated in celebrating teachers' day where I had enacted some roles of the teachers and I loved acting them.
