Santi Muduli

Shanti comes to school everyday. She is a shy girl. She has learnt a little about toilet usage. Her colourings are perfect and while doing any activity, she concentrates. She always changes the flowers of the Mother's photo. She is not interested in singings but tries to sing because didis tell them to sing songs or small rhymes. When didi asks her something, then she looks at her friends. She is learning counting from 1-10. She knows names of seven colours- red, orange, yellow, green, blue, indigo and violet.
