

SHUBHRA KRISHANI

Date of Birth: 03rd Sep 2009

GRATITUDE

Shubhara is kind, loving and an independent child. She remains active and alert at all times. She is always ready to help others. Her relationship with the group children is friendly and most of the children and adults love her. She stays in the hostel and does her own work as sincerely as possible. She is an understanding child. She doesn't need more explanation in simple things. She can discriminate what should be done and what shouldn't be.

Project

Subhra is enthusiastic to learn new things. She listens intensely to the discussions and tries to understand details. That is why she can retain information and facts related to the topics. She confidently shares the gained knowledge with others. She puts her best efforts to learn, so she does many things independently and if anything she finds difficult, she asks and gets clarity, this helps her being a good learner. In festival topic, she learnt the names of the twelve months in Hindi in sequence. She was happy being familiar with the festivals of different states of our country. She was fascinated to know about the Great Indians. She loves to listen to the stories of bravery of Great Indians and remembers them. She found it challenging to draw human figures but did her best. She paid attention to learn about animals, remembered new scientific words and was able to explain words such as hibernation, migration etc. She made a beautiful story with pictures and felt happy sharing with younger children. In clay work she made a beautiful peacock and coloured it. She was engrossed in pulp work also. She was also keen to know about space and planets. In plants around us topic, she was eager to grow seeds and observed carefully the process of germination. In human body topic, she understood about the systems of our body and their functions. In occupation topic, she learnt the jobs people do in our society and enriched her vocabulary remembering the tools and instruments used by them.

Math

Subhra likes doing math. She participates actively and gives answer of many questions. She uses her mind to solve the math word problems. She can think of which operation has to be done to find the answer. Being confident, she works independently. If there are any mistakes in her calculation, she corrects it immediately. She has started doing book-4. She has learnt division and is familiar with words like dividend, divisor, quotient, and remainder. She can check her division by using formula of $\text{dividend} = \text{divisor} \times \text{quotient} + \text{remainder}$. She has learnt Roman numerals till thousand. She is able to convert Arabic numerals to Roman numerals. We revised measurement. She is able to think of which unit will be used to measure volume, weight and length. She has learnt the Indian and International place value. She is able to read and write the number names of 8 digits. In fraction, she is able to recognize unit fraction, like fraction, unlike fraction, proper fraction, improper fraction and mixed fraction. She can arrange the unit fraction, like fraction in ascending and descending order and find out greater fraction, smaller fraction.

Odia

Shubhra is an alert girl in odia class. She is progressing in reading, writing and understating. She has started book 2 of odia. Shubhra can read nicely. In some words she is facing problems while reading and writing in Oriya. But she is trying to do her best. Her understating is beautiful

Hindi

She is able to read Hindi fluently. She has learnt the use of Matras. She can make sentences of her own on any theme. She listens carefully to the teacher. She neatly writes Hindi letters in her notebook. In group reading, she reads loudly. In dictation also, she listens carefully to the words and tries to write accurately.

English

Shubhra reads books fluently with proper voice modulation, correct pronunciation and expression. She can communicate in English without any effort. She uses her time in a constructive way reading English books; she loves to read books in the library. Her comprehension skills are good; she always uses phonetics while reading. She reminds her friends about silent letters while reading words (Know, knead, cart, calm) etc. She remembers new words quickly. She has increased her vocabulary. She picks up grammar concepts easily with a few examples. She has learnt noun, collective noun, gender, preposition, conjunction, adjective, pronoun, verb etc. She had done a lot of exercises on this with interest. She writes neatly. She has made a song notebook and written many English songs. She loves to sing English songs and learn quickly in sequence and leads in singing. She enjoys enacting drama in English and says her dialogues loudly and confidently.

Skill Work

Shubhra loves to do skill work such as clay modeling, cutting, pasting, painting, paper folding. She follows instructions carefully. She was happy making birthday card, pussycat, peacock, duck, building etc. She has to bring neatness in her work. She initially found Embroidery challenging.

Sports and Games

Shubhra joined in all types of games on the field. This year she learnt skating. On sports day, she did skating and performed well remembering all steps. She also participated in yogasana. She has to do yoga every day to bring flexibility and agility in her body.

Celebrations & Festivals

Shubhra is enthusiastic to participate in different festivals of school. On school's birthday, she did the role of frog in play on animals as a part of Evolution. Apart from the play, she learnt Garba dance and performed it with her classmates. On 15th August, Sri Aurobindo's birthday, she was narrating the story of freedom fighter Baji Rout. She memorised "Surrender" Poem quickly and with graceful expression she did slow movements on that with humility group. On Ganesh puja, she took the main role of GANESH in "How Rat became the vehicle of Lord Ganesh" play. On The Mother's birthday, she learnt the full Hymn to Durga by heart in English and did graceful movements on it.

Trip and Excursion

In the month of October, Shubhra went **for a trip to Bhubaneswar**. She enjoyed a lot in the train journey and happily visited many places such as National Museum Cuttack, Chilika Lake, Konark Temple, Deer Park, Barabati Stadium and Puri etc. She liked playing on the sea beach and watching 4D show.
