Report for 2024-25 (Second term)

Introduction

I am Parul Krisani, I am a student of tenth class. I am away from my home and staying in the hostel. My favourite subjects are Maths and Science. And my favourite games are football and basketball. I have already appeared for some of my exams in October 2024. I gave exams in English and Hindi. I obtained the following marks in these subjects: Hindi 60% and English 61%. I am now concentrating mainly on Social Science. I have to give this exam in April 2025.

Science

I am studying 10th class of science. I have completed the 15th chapter in science. I am

concentrating and serious in the study. I like to study science.

Maths

In maths I am doing 10th book of NIOS book. It is very easy for me, and I am going to appear for this exam in October. I am trying my best to finish the book. I like to study maths.

Social Science

In Social Science I am doing 10th class and I have finished the 1st book and I have given some tests. I tried my best and got 50% in history and 45% in geography. But I am trying my best and I have improved.

I don't study with my classmates because nowadays I study with Dipika didi in online. With didi I have finished the first book of history and now I am doing the second book with her. I am able to understand what didi is teaching me. I have class with her from 11:00 to 12:30 and in the evening from 7:00 to 7:45. I am enjoying studying with her.

Yoga

I go for my yoga every day. I like every asanas. I have a flexible body and do all the asanas. Some of the asanas are difficult but I try to do. When I fall then I get up and try to do again.

Game

I every day go for games as games are good for my body. I like to play basketball and football most because they are my favourite but I also play the other games.

I am punctual during the games time. Before playing, I always medite for two minutes and start running and exercise with my teachers. after that I start playing the games. I get tired very fast and don't have stamina which I need to improve a lot.

Celebrations

On December 25th I performed a dance with my friends. When I went on stage, I was a little nervous. But I danced properly and everyone liked our dance. On December 31st I did a dance with my classmates. Everyone liked our dance and told that we had done the dance properly.

On 21st February I sang a song with my friends. It was a great performance. On 13th January we celebrated the Sports Day. On that day I did a Sari dance with my friends and some younger children were also there.

Shramdaan

In shramdaan we do so many tasks like toilet cleaning, gardening, school cleaning, hostel cleaning, girls' hostel cleaning and kitchen. I like to do school cleaning and gardening.
