

# Chirag Gouda

Date of Birth- 8<sup>th</sup> January 2007

April 2018 - March 2019

## ❑ Science:-

I love doing science because it is very interesting. Now I am in 8<sup>th</sup> class. I participate in group activities. In the test I get good marks.

## ❑ Sports:-

I like to play football, as it is my favorite game. I play other games also such as basketball, baseball, etc.

I like playing these games very much. I play basketball when somebody comes to teach us.

I can't play football nicely but I try. I can run 3 km. I always do exercises before playing games.

## □ Yoga:-

I don't like to do yoga but it is good for me, so I do it every morning. My body is not flexible which I need to work on. We do many kinds of surya namaskar.

## □ Hindi:-

I like studying Hindi. It is very interesting. I like doing Hindi grammar. I am doing essay writing. I am doing class 8<sup>th</sup> book. I can read by myself. I am good at Hindi. I have learnt pronouns and nouns.

## □ Social science:-

I like the social science class. It is very interesting. I get good marks in social science. The teacher is very good and tells many stories. There are many things that I have learnt.

## ☐ Music

I am learning tabla. I have learnt many taals. We participate in the orchestra. I like playing tabla.

## ☐ Math

Is very interesting. I am doing class 8<sup>th</sup> book.

I have learnt compound interest, linear equation, factorization etc. I love doing maths.

The teacher teaches in simple way. I like the teacher.

## ☐ Odia

Odia is a boring class. In Odia I have learnt many things. Sometimes I cannot understand what the teacher says.

## ☐ Dance

I like dancing with my friends. The teacher teaches us dance very nicely. We dance on songs of Hollywood and Bollywood.

## ☐ Celebrations

I like celebrations. I enjoy celebrating festivals.

We celebrate many festivals in school. We celebrate our own festivals at home.

## ☐ Shramdan

I like doing Shramdan. I like to do gardening very much. We do many things in Shramdan such as music, toilet cleaning, kitchen, etc.

## ☐ Computer

I like doing computer because I like to type a lot. The teacher makes us do many interesting activities. He lets us do things that we want. There are many things that I have learnt.

## □ English

I don't speak in English all the time but I sometimes I talk in English. I like reading English stories because I can understand. I like to read comics and sometime I read tales of Ruskin bond.

I have read many books such as 20000 leagues under the sea and invisible man. in class I have read the tales of Roald Dahl and the tales of Shakespeare. Now I am reading Tom Sawyer.

I like writing in English because it is very easy to write in English but my handwriting needs improvement. I like writing poems. But I don't like creative writing.

I like doing grammar. I have learnt many things in grammar like nouns and adjectives. Now we are studying from Engaging English. I have learnt poems like Krishna and Who.

## □ Trip to Rajasthan

I liked the trip very much because I saw many monuments. We visited the cloth factory in Gulabpura and the car showroom in Chittorgarh. We visited in Jodhpur, Gulabpura, Falna, Ajmer and Jaipur. I liked visiting them.

# Report Written By Teachers

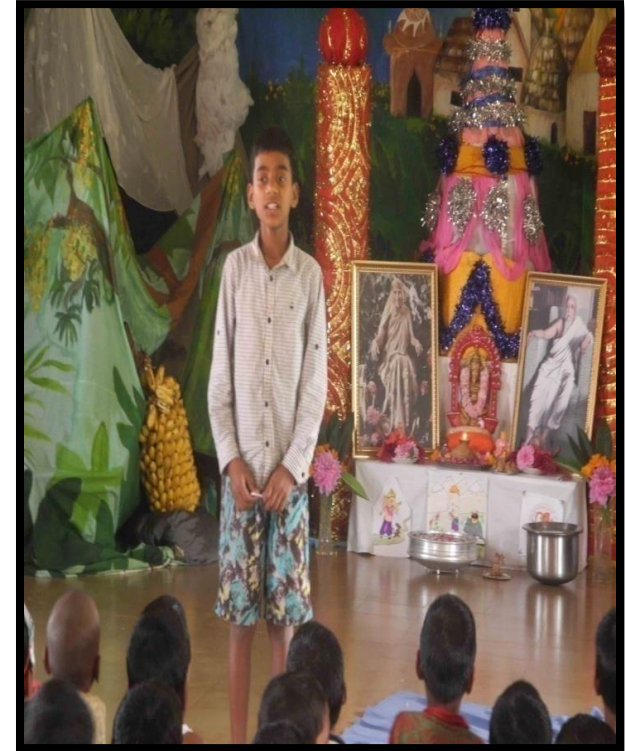

## Art & Music...!

He shows an interest in Art class.

Once he said “I like to draw the scenery of a place and paint it or shade it.

I also like to colour the given pictures from books”.

On Ganesh puja he made a nice drawing of Lord Ganesh and displayed it in the programme hall.

## ❑ Social Science

He is intelligent and his writing scheme is good. He is moody and doesn't finish his work.

He concentrates in the class but refuses to write the notes given.

In tests his performance was good in Geography. He likes map making and studying the Environment.

## □ Mathematics

He likes to do math. He is intelligent. He has learnt simple Interest, lines and angles, Properties of triangles, congruence and mensuration. His speed and accuracy is good.

His understanding is even better. During revision, he is talkative in class and wastes time.

He is not very clear about some concepts like simple interest. He can solve word problems.

His handwriting is very poor. Sometimes he cannot understand his own writing.

## ❑ Science....!

He wanted to know why light is important? Can light pass through objects?  
He learnt about sources of light, Optical media, laws of reflection.

He enjoyed writing his name by looking at the mirror reflection. He is familiar with types of mirror, types of lenses and shadow. Due to illness, he didn't learn the shadow topic properly.

He enjoyed doing this topic, but took lot of time revising. He always picks up new topics quickly. He could understand the formation of rainbow, lunar and solar eclipse.

While preparing for the presentation, he could not understand his topic "Phases of moon" During presentation day, after a lot of practice he explained this topic nicely.

## ❑ English

Chirag has improved his reading. His handwriting is bad but spellings are good. Because of his handwriting it is very difficult to check.

He is doing book 7<sup>th</sup> in grammar. He can understand and study by on his own but comes for checking only when called. He has learnt letter writing.

He can write formal and informal letters. He had to read a storybook and tell the story in class. He chose a short story. He has also learnt note making. He never speaks in English.

He has read books-

- ✓ Sneezing powder
- ✓ Bicycle magic

## □ Hindi

He has a sharp mind and he focuses on his studies. He takes interest in everything we do in group.

He has completed class 7<sup>th</sup> workbook. He has improved a lot in describing poems or memorizing new words from his book.

He is doing 8<sup>th</sup> class grammar book and memorizing proverbs, folklore, synonyms and idiom.

His writing is fine. He has to improve a bit. He is trying to increase his thinking and writing speed.

Most of the things he understands and does on his own, but writing dialogues, essays and paragraphs have to be explained to him.

He loves to read HISTORICAL AMARCHITRAKATHA in library time.

## □ Odia

Chirag can read and write every passage. Sometimes he writes correctly. Skills are fine and understanding power is good.

## ❑ Computer

He is interested in learning computers. He has learnt about “Making folders and putting files in it”.

He likes to paint.  
He likes to practice typing.

His speed is not so good he needs to practice more.
