## Report for 2022-23

Deepa is an irregular child and sometimes feels homesick. She comes to school neat and clean. She can clean herself after using the toilet. She likes to be friends with children from her village.

### GAMES

Deepa is a silent girl and she doesn't talk to anybody. She likes to play all games and exercise with Sangita and Bhagishri, as they all stay in one village and are thus friends.

### LANGUAGE (Hindi)

In chanting time, she sits quietly without disturbing anyone. She does not remember the chanting and songs. But She likes to sing funny animals songs with actions. She is quiet in storytelling time as well. Sometimes she plays with her dress or fidgets. When asked some questions, she starts crying. She speaks very little and her pronunciation is not so good.

### MATH

Dipa has learnt colours. In activity time she stays in her own world.

### LANGUAGE (English)

She sits quietly without disturbing her friends. She has learnt the names of some fruits, vegetables and animals. She

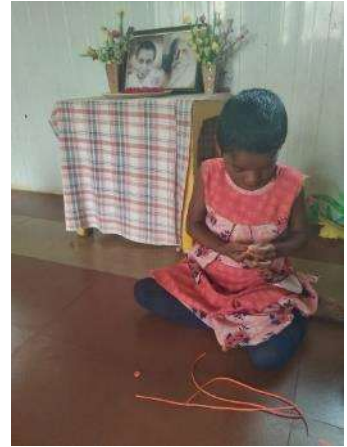

tries hard to understand the stories. In Rhymes time, she sits quietly and fidgets with her clothes. She also sits quietly in the storytelling time. She does not speak much in the class.

## CO-CURRICULAR ACTIVITIES

She likes to fill up colour in the pictures. But she uses only one colour for the entire picture. She is able to concentrate well. She does all activities with a proper body posture. She cannot finish her work properly. She needs help in improving her fine motor skills. In other activities she just sits quietly.

## CELEBRATIONS

She likes to wear costumes and apply make-up.
