Report for 2024-25 (Second term)

Introduction

Ruhani is a smart girl. She speaks very openly and is very friendly with everyone. She remains joyful too. She is healthy. She enjoys studying as well as doing other activities joyfully. She enjoys studying Mathematics the most. She remains quite active and has a lot of fun during games. Her favourite game is football. When she gets hurt during games, she rarely cries. Her hobby is to draw pictures. She loves drawing sceneries of nature the most. She wants to be an artist.

Mathematics

She is a very hard-working girl. She likes doing mathematics the most. She finished the 4th book and has started doing the Class 5th Oxford book of mathematics. She is currently doing the 3rd chapter, which is the four operations. She has finished the following chapters in the previous book: - fraction, decimal, pictograph, symmetry, money and geometry. She liked the chapter symmetry the most as she likes drawing. She finished that chapter within an hour. Fraction chapter was a little challenging for her as she was confused in the four operations of fractions but is now has clarity, as she has practised and solved questions from different books. She enjoys doing maths when she is focused and is clear with concepts of that chapter. She likes doing maths during her free time. She gets her notebook checked religiously.

Science

Ruhani is a shy and quiet girl. She only talks when she has been asked a question. But she is a very good listener. She is usually focused and attentive in class. She is not open in class and is shy while speaking. She mostly asks her doubts to her friends. She likes writing and doing the activities related to science. She does the work given to her very sincerely.

Social Science

Ruhani has covered all the nine chapters till now and she is continuing with the Post-Mauryan period. She gives oral and written test after every chapter and gets good marks. She does all the questions and answers on time and show it. She asks a lot of questions during the group discussions. She loves chart making with her group and tries to fully engage in her group. She is going to start sixth-grade book of geography very soon.

Hindi

Ruhani can read, with fluency and correct

pronunciation, and can understand the story. She has a strong foundation in literacy skills. Her proactive approach to seeking clarification when encountering challenging words highlights her commitment to understanding and mastering new concepts. She enjoys independent reading, reflecting a genuine love for literature. Once in a week she does group reading where after reading, she takes dictation and her spellings shine. Her handwriting is very neat and clean. In recent months, Ruhani has successfully embarked on structured study through book work; completed Gunjan book 4th and is doing 5th class Gunjan. She understands the stories from the book and tries to solve the questions given in the book but she has to work

harder to get the correct answers. She never gives up and tries her best. She has started the grammar book 3 where she understands the chapter and solves the questions as homework. She has learnt dialogue writing. But when she takes a small test of grammar, it seems a little difficult in some of the chapters. On 21st of February she has performed a short play.

English

Ruhani is a dedicated and enthusiastic student in English class. She has successfully completed the 3rd book of good grammar and is now working on the fourth book, which she enjoys thoroughly. She has a strong understanding of grammar concepts and loves practising them. Along with grammar, she is also working on the third book of her textbook. She finds joy in reading and learning from it. In addition to her text work, Ruhani actively participates in various activities in the English class, such as group reading and self-reading. During group reading, she was reading Water Babies and she also engages in writing exercises once a week. Her writing practises includes both copy writing and story writing, helping her improve her skills. Ruhani's enthusiasm and commitment to English makes her a hardworking and eager

learner.

Dance

Ruhani likes to do dance class. She likes to do classical dance most of the time. She does not

concentrate in the class but with the teachers telling her she gets well with the class. She has the ability to learn new steps very quickly. For Christmas she did a dance. For sports day she did dasa avatar. Now she is doing a dance in the song 'bund bund milke bane leher or leher'.

Arts

Ruhani has drawn figures such as the sun, moon, and humans, colouring them with warm and cool colours. She has made hanging decorations like stars and balls, including a large ball for the group. Most of the time, she enjoys drawing, sometimes creating images from her imagination. She has drawn a girl in a garden and particularly enjoys nature drawings.

Puzzles

Ruhani sits quietly during the class. She can fix puzzles of about 500 to 1000 pieces with her friends. She fixed the whole puzzle of Taj Mahal with her friends. She loves to attend puzzles class.

Games

Ruhani is in the boron group during sports. She plays many types of games like minor games, volleyball, basketball and football. She is not tired while playing these games and has a good stamina. She a good girl she listens to her teacher.

Yogasana

Please refer to the group report.

Shramdaan

Ruhani is punctual for shramdaan. She is in the Eubacteria group during

shramdaan. She actively indulges in various shramdaan activities. She has learnt to do work in all these activities properly and does them with sincerity. There are a few children in her group with whom she collaborates while doing team work. She enjoys doing school cleaning and work in the kitchen the most. She enjoys cutting vegetables in the kitchen a lot.

Satsang

Ruhani likes to take part in satsang every evening. She reaches on time and also influences her friends and the younger ones to go along with her before time. She tries to sit erect throughout the satsang. She likes to chant, sing and even meditate during satsang. Every Monday, she enjoys attending the music class during satsang. In the music class, she learns singing sargams along with her group.

Celebrations

Ruhani loves celebrating the various programmes and festivals that take place in the school. She likes to take part in dramas, dances and singing performances. She loves wearing the costumes and eating the sweets. She likes the festivals also because she gets

new information and gets a chance to learn new dances, dramas and singing and show her talent on the stage. Ruhani actively took part in the Children's Day celebrations. She did swimming, kayaking, walking in the jungle and ate delicious food. She enjoyed everything that she did on that day. Doing kayaking for the first time was a beautiful experience for her. She actively took part in these activities and performed in the functions that took place in the past few months. She sang a sargam on 29th

November. To celebrate Christmas, she danced on a song 'Last Christmas' along with her friends of her group. She also enjoyed performing a drama on The Mother's birthday. She was one of the narrators in the play. She gave a good performance. On Holi, Ruhani enjoyed playing with colours and having a mud bath with her friends. She also enjoyed eating the different food items that were put in the stalls. She loved eating chocolates and *pani puri* the most.

Sports Day- Ruhani performed the Saree Drill on the Annual Sports Day. She loved learning the Saree Drill. She elegantly performed the drill. She loved the song very much and enjoyed it a lot.
