

# Devendra Muduli

**DOB-18-Jan-2013**

**Attendance-179 days out of 182 days**

**Report for 2024-25 (Second term)**

## INTRODUCTION

My name is Devendra Muduli. I study at Auro-Mira Vidya Mandir. My date of birth is 18/01/2013, and I am 11 years old. I am in Class 7. My hobbies are reading books and playing games.

## YOGA

I attend my yoga class from 6:00 to 6:30 AM. I enjoy yoga and practise stretching, balancing asanas, and pranayama. However, I struggle with stretching because my body is not very flexible, but I can do balancing asanas well. I concentrate on yoga because I want to make my body more

flexible.

## SHRAMDAN

I do my shramdan from 6:30 to 7:30 AM. My tasks include cleaning the kitchen, girls' hostel, toilets, boys' hostel, gardening, and school cleaning. I enjoy cleaning the school the most, especially sweeping.

## HINDI

I attend my Hindi class from 8:30 to 9:30 AM. I enjoy this class. We do free reading, group reading, book work, and grammar. In free reading, I read *Amar Chitra Katha* and other novels, which I love. In group reading, we read *Mahabharata* together, and after that, the teacher gives us dictation. I make many spelling mistakes. Our teacher also shows us movies on *Mahabharata*.

In book work, I study Class 6 material. The teacher explains the chapters, and we answer questions from the lessons. In grammar, I study Class 7 material, which I find a bit difficult. Some chapters that I already learned in Class 6 are easier for me.

## MATHEMATICS

My maths class is from 9:30 to 10:30 AM. I am studying from the Class 7 maths book. Currently, I am learning about parallel lines, which is not very difficult for me. However, I struggled with the *Simple Interest* chapter and scored poorly. We also solve questions from other books.

## SCIENCE

I attend my science class from 10:30 to 11:30 AM. Science is my favourite subject.

I am using the Class 7 book. I find biology easy but chemistry difficult because I have never studied it before.

In biology, I have learned about plants, animals, their habitats, and food. I have also studied the human body and its organs, which were easy topics for me.

In chemistry, I have memorised the periodic table up to element 40. I also studied acids and bases. Initially, I did not understand this topic, but after doing experiments, I got a better idea.

## SOCIAL SCIENCE

My social science class is from 11:30 AM to 12:30 PM. I am using the Class 7 book. Currently, I am studying geography, which is not very difficult for me. I can understand most chapters by reading. Some topics are new for me, but I can manage.

I have almost finished the syllabus, with only two chapters left. Right now, I am learning about India's political and physical features and its climate. Some chapters were easy, and I scored well on those tests, but my scores were lower for the more difficult ones. Our teacher sometimes shows us videos to help us understand the topics better.

### ENGLISH

My English class is at 1:30 PM. We do many activities such as free reading, group reading, book work, grammar, and watching English movies.

In free reading, I read novels, children's stories, and *Amar Chitra Katha*, which is my favourite. I also read books in my free time. In group reading, I have read *Matilda* by Roald Dahl, and now I am reading *Harry Potter* by J.K. Rowling with my classmates.

For book work, I study Class 6 material. I read stories and answer questions. In grammar, I also study Class 6. I find grammar difficult because it confuses me, but I try my best to learn.

### DANCE

My dance class is at 2:30 PM during the activity period. I learn folk, classical, and western dance. I like western dance the most. Before dancing, we do exercises. I don't like classical dance because I find it boring.

### ART

I love my art class. I do paper folding, drawing, and painting. I enjoy drawing landscapes, but I struggle with drawing human figures. In paper folding, I have made rabbits, boxes, and jets, which I enjoyed. I have also learned about art with Shilpi Didi.

## COMPUTER

My computer class is at 2:30 PM during the activity period. I enjoy this subject very much. In class, I practise typing, do painting, and write reports. The teacher teaches us new things.

To improve my typing skills, I use *Typing Master*. For fun, I do painting. Now, I have learned to use *Word* and *Excel*. In *Word*, I write reports. Our teacher gives us a typing test once a month.

## GAMES

I play games from 4:15 to 5:15 PM. My favourite sport is football. Before playing, we warm up by doing exercises and running to prevent injuries. I also play volleyball and basketball.

## MUSIC

learning *Hanuman Chalisa*.

My music class is from 6:15 to 7:00 PM. I learn to play the tabla and enjoy it. I have learned many *taals*, such as *Teen Taal*, *Jhap Taal*, and *Kayeda*. However, playing the tabla is sometimes difficult because my hands hurt.

## SATSANG

I attend *Satsang* from 6:15 to 7:00 PM. In *Satsang*, I chant and sing devotional songs. I have learned *Havan Mantras* and *Gita Mantras*. Right now, I am

## CELEBRATION

On 29<sup>th</sup> November, I sang a song called *Shubh Janmadinam Te*. We learned the song just before the program, and it was 5 minutes long. I also enjoyed watching other performances.

## CHRISTMAS

On 25<sup>th</sup> December, we celebrated Christmas.

We sang carols for Jesus Christ in Hindi. We also performed a dance and had a lot of fun. Santa Claus gave us toffees, which made the celebration even more enjoyable.

## REPUBLIC DAY

On Republic Day, we did flag hoisting at 6:30 AM and sang the national anthem. Some senior students explained the significance of Republic Day and why we celebrate it. At 10:30 AM, we watched the parade on TV. I especially liked the flying jets.

## SARASWATI PUJA

We celebrated Saraswati Puja on Basant Panchami, which was on 2<sup>nd</sup> February. On this day, I played the tabla with my tabla group. I enjoyed playing the tabla very much and was not scared because I was in the last row. After the puja, I loved eating the prasad.

## THE MOTHER'S BIRTHDAY

We celebrated the Mother's birthday on 21<sup>st</sup> February. On this day, we performed a shadow play. I played the role of a boy's shadow. However, I found it difficult to copy the exact actions of the boy. I also felt very shy on stage and made some mistakes in my dialogues, but everyone enjoyed the play.

## TRIP REPORT

This trip was our trip to Odisha, Bihar and Uttar Pradesh. I liked this trip very much and enjoyed it a lot. We travelled to Bhubaneswar by train. In Khandagiri, I saw caves, and we visited Nandankanan Zoo. I enjoyed seeing the animals in the zoo. In Alarnath, I liked the statue of Krishna. In Panchalingeswar, I saw the lingam, which was naturally formed by water. In Bhitarkanika, we saw many crocodiles. I also saw the statue of Lord Jagannath. In Simlipal, we saw many beautiful waterfalls.

In Bihar, we visited many Buddha temples, Arai village, and Dashrath Manjhi Road. I liked the ropeway very much, though I also felt a little scared. In Brahma Kund, we took a bath in hot water. In a Buddha temple, I saw a statue of Buddha. We also visited Nalanda University and saw the burnt house of Nalanda.

Then we went to Varanasi. In Varanasi, we visited the Kashi Vishwanath Temple. In this temple, we saw the lingam of Lord Shiva. We also went to Sarnath. In Sarnath, we visited the math and went to the museum, where we saw many statues and writings on rocks. We also saw the place where Bheem and Jarasandh fought. Additionally, we visited Sardar Vallabhnbhai Patel Park.

Then we travelled to Lucknow. In Lucknow, we stayed at K.D. Babu Stadium. We visited Eco Park, Jal Mandir, and Bhool Bhulaiya. I enjoyed it very much. We also saw the ancient City Clock House. In Lucknow, for the first time, I travelled on the metro.

Then we went to Ayodhya. In Ayodhya, we visited the Ram Temple and had darshan of Lord Ram. We also visited the Hanuman Temple.

After that, we travelled to Jhansi by train. In Jhansi, we attended the light and shadow show in Jhansi Fort. We also visited the Space Museum, where I watched a 3D show and enjoyed it. We went to Jhansi Museum, where we saw the

sword of the king and early temple statues. Finally, we visited the Amar Ujala printing press, where I saw how newspapers are made and delivered to houses.
