

# Laksya Jani

Date of Birth - 26<sup>th</sup> May 2007

April 2018 - March 2019

## □ Science:-

I like science as there are many things in it to learn. This year we learnt lot of biology. I can do question answers myself but difficult question I can't do. I also learnt chemistry. I am improving in science. Science is difficult for me but I can manage.

## □ Math:-

Math is my favorite subject. I am doing 8<sup>th</sup> class book now. Math's is fun and I enjoy doing math's everyday.

I am confident of solving math's problems. Some of my favorite topics are exponents, cubes and square roots, mensuration's, construction.

## □ Hindi...!

I like Hindi because I am capable of writing answers of stories and grammar. I have to focus more on my grammar exercises because this is something I have to learn and understand and do the exercises.

Some of the grammar exercises I like are idioms, sangya, muhavare, visheshand. When I read or have to - do grammar, some of the concepts do not get into my mind.

We have learnt essay writings, dialogue writing and idioms. We are doing now 8<sup>th</sup> class. We do group reading.

## □ English...!

I like English because I can read properly, but in dictation most my spellings are wrong. English grammar is very easy for me. I can learn it very fast.

We learnt essay writing, story writing and some grammar, but Mostly we read stories and did question answers from them. But I need some improvement. I don't always speak in English. I talk mostly in Hindi.

I have done many dramas I am a bit lacking in expression in some dramas. I have learnt poems such as Blue bird, Krishna, Who, Thou golden light came down and other poems.

I enjoy reading horror and adventures stories.  
I have read many books such as Samurai, Ghost stories by Ruskin bond and the Haunted house.

In group reading we read Sherlock Holmes, Shakespeare and now we are reading Tom Sawyer.  
I understand the stories. We have done grammar from the book engaging English and the world wise book.

I can do little bit of grammar such as active and passive and direct and indirect. I also write neatly and everyone can read it. I love to write stories.

# □ Trip...!

I liked going to Rajasthan. I saw many monuments. I enjoyed in Jodhpur. I liked seeing the Rock gardens and the fort.

We went to Meherangarh fort. I liked seeing the chambers in the palace. Then we went to Jaisalmer.

I liked going to the Thar desert. I enjoyed sitting on the camel very much. Then went to Falna, Ranakpur and Udaipur.

In Chittorgarh se saw the palace. Then we went to Gulabpura.

We saw the main Bhilwara factory. Then we went to Ajmer, Pushkar and Jaipur. We saw Hawa Mahal and Jantar Mantar. Then we went to Agra and saw the Taj Mahal.

Then we went to Delhi. There we went to Akshardham and Lotus temple. Then we returned to Kechla.

## Games

I sometimes like to warm-up. I like football very much, and basketball not very much because my hands get swollen playing basketball.

Mostly I play defender in football and sometimes forward. I can shoot goals but sometime it doesn't go in.

I can take 8 rounds and I can do 40 sit up. I can do many exercise such as windmill, side sit up etc. I enjoy games instead of doing other activities.

## ☐ Yogasana

I am good in yoga. In the mornings I can't do some asanas. In yoga I learnt many asanas. Every morning I go for yoga. I try my best.

Some asanas are very difficult so it takes a long time to practise. On sports day I performed yogasanas. When I feel lazy I don't go for yoga.

## ❑ Social Science:-

I like social studies but I feel bored when I revise. We get tests in all chapters and we have completed most of the chapters of history and geography of class 8<sup>th</sup>.

I feel bored in civics. I like history and geography.

I need to improve and remember dates.

I am capable of doing the question answers of geography and history but in civics I face a little difficulty.

## ☐ Art & Craft

I like art and craft very much. I don't like painting. I like craft and paper folding. I like to do pencil shading. There is a good art room in our school. We go and do crafts.

Art Is an activity needing concentration thing. I like to copy other arts.

I don't know how to draw from my mind. I am improving

## □ Music

I am learning tabla. I like to play tabla very much. It is a drum-like instrument which we beat with our hands.

Our tabla teacher is Ganesh bhaiya. I feel bored sometimes while playing tabla. I need to improve my skills and increase my speed.

## □ Odia

I don't like Odia very much. I have a speaking and writing problem. It is boring for me as I cannot write proper answers.

But I like to play Odia games played in class. I often make mistakes while pronouncing. Odia is very popular in Odisha.

I also want to develop my Odia because it will help in the future to communicate with people.

## Computer

I like to do computer classes because I want to improve my typing speed. I have learnt HTML, excel, painting, commanding and word.

My typing speed is 20 to 25 wpm. I make lots of mistakes in text drill.

We do lots of activities in computer such as power point, writing reports and excel.

we have learnt how to make calendars, tables and charts.

## □ Dance

I like to dance because dancing makes me physically fit and makes our body flexible. Our dance teacher is Suparna didi. I like to dance freely. I don't like classical and western folk dances.

In western folk dance I cannot catch the steps and make mistakes.

Our western folk dance teacher is Nirankar bhaiya.

## ☐ Report Written By Teachers...!

### Art, Music & Dance

He has a lot of interest in art. His special interest is in pencil shading. He likes to draw anatomy of animals and scenery.

His drawings are really eye-catching. On Ganesh puja he made a nice drawing of Lord Ganesh and displayed it in the programme hall.

### Social Science

He is a very bright student and does his work on time. His understanding and writing scheme are very good.

He is good in studying history and geography. He was more interested in studying the political parties in Civics.

In the test he attempts all the question correctly. He can memorize historical events very fast.

## Science

He is very responsible in studies. He tries his best. He actively participates in discussions and shares his thoughts.

In light topic, he understood the concept of day and night, changes of seasons, sources of light, mirror, lenses, phases of moon and laws of reflection.

He likes to do all activities. During presentation he explained his topic “changes of seasons” nicely with practical's.

He freely ask question to gain clarity. He helps his group.

## ❑ Mathematics

Lakshya is an intelligent boy. Whenever he wants to understand something he comes to me for clarity. In tests he obtains more than 80% marks.

## □ English

Lakshya has improved in English. His hand writing is very nice, neat and clean. He had to read a story and tell in the group.

He narrated very nicely. He had to read a paragraph in Hindi and translate to English. He was able to, but needed some help from Didi. He learnt letter writing.

He has learnt note making. He makes notes for his tests and remembers them. He read -

- The O'Sullivan twins
- The mystery of Banshee towers

## □ Hindi

He is a sincere cooperative child.  
He always does his work in time  
and gives his notebook for  
checking.

He likes to correct his mistakes  
on time. He has improved.  
He prefers reading stories.

When he reads in the group,  
he is more focused than when  
reading on his own.

## □ Odia

Lakshya is a good learner. His reading writing skills are good.
