

# Rahul jani

DOB-28-Dec-2013

Attendance-178 days out of 182 days

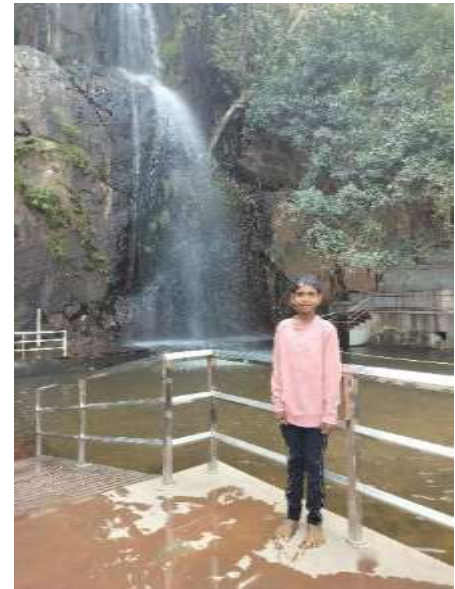

Report for 2024-25 (Second term)

## Introduction

Rahul is a sweet and an obedient child. He is very friendly with everyone. But he likes to spend most of the time with himself. He likes to sing to himself whenever he is alone. He has a good idea of hygiene which he maintains well. He is also a healthy boy, but a little weak physically. He enjoys studying in the school and likes to stay in the hostel. His favourite subject is Hindi. His dream is quite different from all his classmates. He chooses to be a devotee of Lord Vishnu and follow the good path. He wants to do something good for the society.

## Mathematics

Rahul likes to study Maths. He takes time to understand the concepts, but if he focuses more while being explained, it will help him. He gets his notebooks checked regularly but hesitates to ask when he has a doubt. He is doing Maths of class 4<sup>th</sup>. He has covered chapters such as Fractions, Time, Money, Metric

measures (length, weight and volume) and geometry in the last few months. He is very clear and confident with the chapter on Time and needs more practise on the other concepts. He is working hard and is about to complete his book. Apart from these concepts, he has learnt the concept of decimals in a group. He has understood the basic concepts of decimals such as conversions from decimals to fractions and vice-

versa, comparison, arranging in ascending and descending order, addition and subtraction. He needs more practise and clarity in multiplication and division of decimals especially with more than 3-digit numbers. He needs improvement in his mental calculation.

### Science

Rahul likes studying science. He understands and grasps most of the concepts of the chapters very quickly but sometimes needs extra explanations on the concepts. Whenever he has even a little doubt, he always tries to clear it. He has a very good understanding. He seldom participates in group discussions but whenever he is asked a question, he always answers. He likes doing question answers and outdoor experiments with his friends.

### Social Science

Rahul does all the questions and answers neatly. He loves answering the questions that are asked.

He gets engaged during the class. He asks when he has any doubts. When making charts with his group, he tries to help his friends. He works hard to score good marks after finishing chapters. He finishes all his homework on time.

### Hindi

Rahul has finished the 3<sup>rd</sup> Gunjan book and is revising for the whole book test. He is working hard for his test. He always does question answers from the textbook

and he always gets his notebook checked. He understands the chapters from their teachers, and asks his doubts. He does his work neatly and clearly. He has improved a lot in his dictation and also in his reading. He loves to read the books which have lots of pictures. He is doing the 3<sup>rd</sup> grammar book and is working very hard. On 21<sup>st</sup> Feb he did a short play on the Mother. His role was of narrator. He learnt his dialogues very quickly and performed very nicely on the stage. His voice was loud and clear.

## English

Rahul is a quiet boy. He needs improvement in his speaking, handwriting and spellings. He tries to speak in English. He likes to listen to stories. He also likes to read stories. He is doing third-class grammar book. He is able to solve the concepts which are given in the grammar book. If he is not able to understand any concept, he takes help from Didis. He is also solving the third-class textbook. He is able to understand the stories. If he doesn't know the meaning of any word, he asks Didi or he uses a dictionary. He likes to do English class.

## Odia

Please refer to the group report.

## Computer

Please refer to the group report.

## Dance

In dance class Rahul is learning difficult steps of kathak. If he is not interested in doing dance class, he does not learn any new steps. He likes to do classical dances with Suparna didi. Now he is doing a

dance in the song 'bund bund milke bane leher or leher'.

## Arts

In art class, Rahul has improved his ability to draw trees. He has worked with warm and cool colours. He creates his own drawings and colours them. He has made hanging stars and balls. Most of the time, he enjoys drawing, though he found making a paper boat difficult. He has created nature drawings and tries to pay attention during class. He enjoys art class.

### Puzzles

Rahul sits very quietly in the class and fixes the puzzles. Although he has difficulty in fixing the 1000 pieces puzzles of Taj Mahal in the group but still tries to find the pieces. He loves to fix the borders and with the help of his friends he fixes the puzzles.

### Games

My games are at 3:45 pm. When I do exercises, I do them properly and listen to instructions. Sometimes I don't like to play basketball, and volleyball.

### Yogasana

Please refer to the group report.

### Shramdaan

Rahul gets engaged with shramdaan activities every morning with his group. He needs to learn to be punctual. He likes to do all the various activities that are

there for shramdaan. But his favourite activities are school cleaning and gardening. He loves watering the plants during gardening. He does all the work sincerely and with perfection. His improvement in the skill of cutting vegetables in the kitchen and in other cleaning activities can be seen.

### Satsang

Rahul tries to be punctual for the satsang every evening. He likes to sing the various types of songs he gets to sing during satsang. He also enjoys learning new ones. He tries to sit in a good posture not only while chanting mantras but throughout the satsang. He has got a good voice and sings beautifully. He can also sing solo quite confidently.

### Celebrations

Rahul has great fun celebrating festivals in the school. He loves performing dance, drama and songs in the programmes. He gave his active participations in the programmes that took place in the past few months. Rahul actively took part in the picnic on Children's Day. He had fun walking in the jungle, playing, kayaking, swimming and eating food. He learnt kayaking very fast and enjoyed with his partner. He liked baked vegetables with chapatti and raita as well which were new for him. On 29<sup>th</sup> November, he sang a sargam along with his group. As he loves singing, he enjoyed learning and performing it a lot. On Christmas, he took part in singing a carol. He learnt it with great interest and performed

it joyfully and with lot of confidence. On The Mother's birth anniversary which was on 21<sup>st</sup> February, Rahul performed a Hindi play, based on the childhood of The Mother. He was one of the narrators. He gave his best on the stage. On Holi, Rahul enjoyed playing with colours with everyone, especially his friends.

He enjoyed watching the matki phod (breaking the pot) as it was new for him and he found it interesting.

**Sports Day-** Rahul was very good in the Saree Drill. He was very confident and loved doing it. She performed very well on the Annual Sports Day. He loved the

song very much. He would listen to the instructions.
