

ASPIRATION GROUP

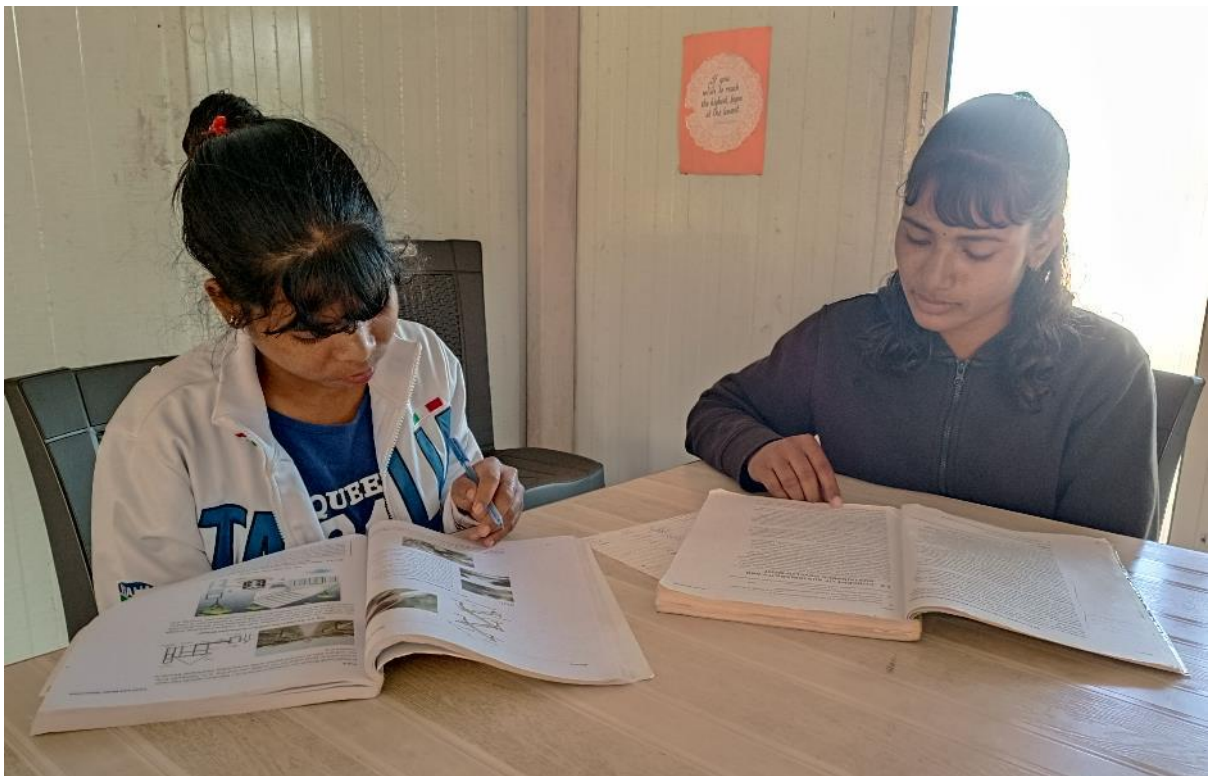

Report for 2023-24 (Second Term)

Introduction and Academics

The Aspiration group consists of 7 children. Tulika, Rohit, Malti, and Pinki completed their 12th in January 2024. Currently, Rohit and Tulika are preparing for their D.El.Ed entrance exams, scheduled for June 2024, while Pinki and Malti

have enrolled in English Honours for their undergraduate studies and are in their first year. They are expected to sit for their exams in December 2024. Bhakti, Shampa, and Shamika are currently in 12th grade.

Volunteering

In addition to their academic pursuits, they volunteer for classes with younger groups, dedicating 2-5 hours per day. The girls assist in teaching classes, while Rohit engages the younger kids in games. They exhibit remarkable patience and dedication in providing proper guidance to the children. Their friendly demeanour fosters an enjoyable and positive learning environment.

Games and Sports

All students harbour a passion for sports and engage in daily physical activities. They participate in various sports such as football, basketball, and volleyball, alongside indulging in activities like swimming, boating, kayaking, rappelling, trekking, and rock-climbing, based on the season.

Yogasana

Commencing their day with Yogasana sessions from 6 am to 6:45 am, the group demonstrates a commendable level of discipline and conscientiousness in their routine.

Shramdaan (Work Offering)

Following their Yogasana sessions, the group engages in shramdan activities from 6:45 am to 7:30 am. They are organised into groups along with other children, undertaking tasks such as kitchen work, hostel cleaning, school cleaning, toilet maintenance, and gardening. Displaying a sincere dedication, they serve as exemplary role models and mentors for the younger students.

Celebrations and Festivals

During school events and festivals, several girls actively participate in the programmes while also assisting in preparing the younger students for their

performances. Others contribute by assisting the younger ones in choreographing dances, organising plays and songs, and decorating the venue as needed.

Sports Day

The children of the Aspiration group enthusiastically participated in the Sports Day festivities. With the exception of Bhakti, all members engaged in various activities. Malti showcased her talent in Lazium dance, not only assisting Suparna didi and Brishti in teaching the dance to others but also delivering a confident and energetic performance herself.

Shampa and Tulika lent their support to Chandrama in organising the pyramid formation with the Victory group, demonstrating careful handling and patience throughout practises and performances. Additionally, Shampa showcased her versatility by joining the Faith group girls in the welcome dance, exhibiting a

keen interest and quick learning ability, resulting in a confident performance.

Rohit played a pivotal role in guiding children in gymnastics, assisting them in mastering different stunts and ensuring

the safe handling of props during performances. His attention to detail and conscientious approach proved invaluable during the event.

Meanwhile, Bhakti, Shampa, and Shamika contributed to the creation of mementos, providing valuable assistance to the group involved in this aspect of the event.

Trip

The school organised a trip to North-East India, with the children divided into two groups for convenience. The first group embarked on their journey in November, while the second group set off in February-March.

Four students participated in the first group, with the remaining members undertaking the adventure during the second trip. For further information, kindly refer to the school report
