Report for 2024-25 (Second term)

Introduction

My name is Abhijit Jani, and I am 13 years old. I study at Auro Mira Vidya Mandir, and I enjoy learning at school. My hobbies include playing games, especially football, which is my favourite sport.

Yoga

I wake up early in the morning at 5:30 AM, freshen up, and then go for yoga at 6:00 AM. In yoga, I practice many asanas, such as the Scorpion Pose, Headstand, Handstand, and Butterfly Pose. However, there are times when I don't feel like

going for yoga.

Shramdan

During Shramdaan (voluntary service), I participate in various activities, including:

- Gardening – Digging soil, watering plants, and removing unwanted grass and weeds.
- Kitchen Work – Cutting vegetables, peeling garlic, fetching water for the filter, and collecting ingredients from the store.
- Hostel Cleaning – Sweeping the veranda and roads, cleaning open drains, and wiping dining tables and the dining hall.

- Toilet Cleaning – Cleaning toilets, basins, open drains, and dustbins.
- School Cleaning – Sweeping the roads and cleaning different areas of the school.
- Girls' Hostel Cleaning – Watering plants, removing weeds, and digging soil.

I do Shramdaan from 6:30 to 7:30 AM. Although I try to be regular, sometimes I don't feel like going.

Science

In science, I am studying the Class 10 book of the NIOS Secondary Course. I also study the Class 9 CBSE Chemistry and Physics books. In science, I do chemistry, physics, and biology. In chemistry, I am working on the Chemical Equations and Reactions chapter. I have also completed the Atomic Structure chapter. I sometimes struggle to remember certain formulas and long definitions.

In physics, I have completed the Work and Energy chapter and am now writing notes on Sources of Energy. Nowadays, I am not studying biology because my teacher had her exams. I enjoy studying science.

English

In English class, I do book work and reading. I have completed both course books of NIOS. In class, I read the chapters and answer the questions based on the text. Currently, I am revising both books. Next, I plan to practise grammar. I also read some novels, such as *Moghul* and *Geronimo Stilton*.

Hindi

In Hindi, I am studying the Class 10 Secondary Course book. Right now, I am working on the first textbook and revising for my whole book test. In Hindi class, I read the chapters and then answer the questions. I read both stories and poems, but I struggle to understand the poems properly. I have now started the second textbook. I also read books like *Jataka Tales* and *Amar Chitra Katha*.

Maths

In maths, I have just finished my Class 8 book. I revised for my whole book test, took the test, scored well, and have now started the Class 9 book. In Class 8, I had difficulties with some chapters, such as Profit and Loss, Compound Interest, Simple Interest, and Linear Equations, among others. However, I am now finding these topics easier.

In Class 9, I am currently working on Number System, and I am not facing any difficulties in this chapter.

Social Science

In social science, I am studying the Class 10 NIOS Secondary Course book. I have finished the first book, which includes history and geography. Now, I am working on the second book, focusing on civics. In civics, I have covered many chapters. I have difficulties in geography and civics. In history, I struggle to remember dates.

I perform well in tests, and I write notes and answer questions independently. I can easily remember most of the key points, and when the teacher asks a question, I am always ready to answer. However, I need to work hard to perform well in my exams.

Art

In art class, I do drawing, painting, crafts, and many other activities. I have art class once a week. I enjoy drawing and painting the most. I have made hanging decorations and butterflies. Sometimes, my drawings turn out well, but other times, they don't. I enjoy art class, though sometimes I feel bored.

Computer

In computer class, I do Typing Master and painting. In Typing Master, I complete many lessons, but my typing is not very fast. Sometimes, I get tired from typing and don't pay full attention in class. I also do painting, where I draw

different things. I have learned how to open and save files, as well as use shortcuts. I enjoy computer class.

Dance

In dance class, I was practising *Dasha Avatar* for Sports Day.

Odia

Nowadays, I don't attend Odia class because I am studying for my exams.

Gardening

I do gardening in the afternoon once a week.

In gardening, I do many activities, such as digging, planting, and watering the plants.

Music

Nowadays, I don't go for my music lessons because I focus on self-study.

Games

In games, I play football, basketball, and volleyball. I like playing football the most, and it is my favourite sport. I also enjoy playing basketball and volleyball. Sometimes, I play a lot, and other times, I don't play much. I enjoy playing games.

Satsang

Nowadays, I don't go for *Satsang* because I am studying.

Celebrations

New Year:

On New Year, I performed two dances—one was a mixed dance, and the other was a tribal dance. I learned them quickly.

Sports Day: On Sports Day, I participated in *Dasha Avatar* and martial arts. In *Dasha*

Avatar, I played many roles and performed well. Initially, I struggled with some martial arts steps, but after practising, I was able to perform them well.

Republic Day:

On Republic Day, I did flag hoisting with my friends and watched the parade on TV.

Trip

On my trip, I first went to Bhubaneswar, where I stayed at a school. There, I

visited Gouri Temple, Lingaraj Temple, the Science Museum, Nandan Kanan Zoo, Khandagiri, Udayagiri, Dhuli Giri, Konark Temple, Jagannath Temple in Puri, Alarnath Temple, and Chilika Lake. In Bhubaneswar, I mostly visited temples, where I saw many intricate carvings.

At Nandan Kanan Zoo, I saw many animals and reptiles, including lions, tigers, monkeys, and crocodiles. After visiting Bhubaneswar, I went to Bhitarkanika, where I saw many crocodiles from a boat, ranging from very small ones to large ones. At the crocodile museum, I saw the bones of ancient crocodiles and learned interesting facts about them.

After that, I went to Simlipal, where I took part in a nature safari. There, I saw many

waterfalls, including India's second-largest waterfall. Next, I travelled to Balasore, where I visited Purbi Beach. I played in the seawater and then visited Panchalingeswar Temple. After that, I went to a Jagannath Temple and then to an ISKCON Temple.

After exploring Odisha, I travelled to Bihar, to Gaya. There, I visited the Mahabodhi Temple and saw the Bodhi Tree, where Lord Buddha attained enlightenment. I also visited the Tibetan, Sri Lankan, and Thai temples, followed by the 80-foot Buddha statue. After that, I visited Vishnupada Temple.

Then, I saw Dashrath Manjhi Dwar, where I saw the road built by him. I also went to Rajgir, where I took a bath in the hot springs. Later, I went on a zoo safari, where I saw many animals, and I visited Shanti Stupa and Jarasandha Ka Akhada.

After exploring Bihar, I visited Varanasi (Banaras), where I saw the Sarnath Temple and a museum. In the evening, I attended the Ganga Aarti. I also visited Kaal Bhairav Temple, Kashi Vishwanath Temple, and Bharat Kala Bhavan.

After that, I travelled to Ayodhya, where I visited Hanuman Temple, the new Ram Temple, and another Ram Temple. Then, I went to Lucknow, where I visited Shri Nareshwar Shiv Temple, the Clock Tower, and the Bawliya Museum. I also saw Lalita Devi Temple, Hanuman Temple, Hanuman Garhi Temple, Misro Park, the Gomti River, and Eco Garden.

After Lucknow, I visited Jhansi, where I saw Ram Raja Temple, the fort of King Orchha, and Jhansi Fort. At Jhansi Fort, I watched a light and sound show. The next morning, I went to the Government Museum and Planetarium.

After that, I returned home. I really enjoyed the trip!
