

BASANT 12 YEARS OLD

NEW CREATION GROUP - OCT'14 TO MAR'15

ENGLISH

Basant has become much easier to work with in class. His spellings are getting better and so are his sentence constructions. He has responded well to corrections.

His improvement has been relatively large in many areas. He is distracted at times but is starting to get involved in his work more now.

He played a memorable role in the Drama and delivered his lines with ease. Still tends to make silly spelling errors at times but he tends to understand tasks given to him well.

MATHEMATICS

Basant has good interest in Mathematics. He works hard. He sits quietly and is focused on his work. He has good conceptual understanding.

He is confident and works independently. He needs to improve his presentation skills. He has started the level VII book. He also needs more practice in geometrical concepts.

Basant does algebra well. He has done LCM, HCF, Integers, Time and Tables, Area and Measurements and Angles.

SANSKRIT

Basant reads Sanskrit properly.

He is also good at making sentences.

He has a quick understanding. He picks up any new words introduced. He studies with good focus.

ODIA

Basant is a well-disciplined student and has made good progress in every area of language learning such as reading, listening, understanding and writing. For pleasure reading, he is encouraged to read Odia books.

SCIENCE AND TECHNOLOGY

He is obedient, respectful and the sincere student. He loves science. He is good in performing and setting up the experiment apparatus. He made his own three way circuit. And did the splitting of light, in seven color using prism.

PROJECTS AND ACTIVITIES

Sincere and intelligent but often miscalculates the time he needs to put in his work which tends to make him appear over confident. He is often critical of himself and by extension of others too.
