

Swati Jani

DOB-13-May-05

Report for 2022-23 (first term)

My name is Swati Jani. I study in Auro-Mira Vidya Mandir. I appeared for four of my exams of class 12th in April this year. My marks were as follows: -

English	68%
Data Entry Operations	77%
History	66%
Home Science	63%

Now I am preparing for my remaining subject – painting. So, I am volunteering with small children of Bliss (5 to 6 years old) and Victory group (6 to 7 years old) in my free time. I devote two hours: games at 8:30 in the morning with Bliss and Victory groups and Maths at 10:30 with Bliss group. Once a week, I have puzzles with Smile

group on Wednesdays. At other times, I practise drawing and painting.

Painting

Painting is the only subject left for my class 12th exam, so I am preparing for it. I made many drawings and painting like scenery drawing, objects painting, humans etc. I have

done them with many types of colours such as oil pastel colours, water colours, colour pencil, colour pen and others. I have learnt many things like shading, stippling, painting, etc. I am doing stippling for the first time this year.

Games

My classes end at 3:30 PM and we start our games at 4 o'clock as we have tiffin for half an hour. I am in group C in games, as we all have our own groups to play with. We play games like basketball, volleyball, football, and minor games in our own group. I don't play games in the group for two days of the week as on one day I make *roti* in the kitchen and on another day, I have games turn with the younger children. I used to make *roti* on Tuesdays and go home on Mondays but now our time-table has changed so we go home on Tuesdays instead. My time-table now at games time is as follows:

- Monday: turn to make *roti*.
-
-
- Tuesday: go home at 3 pm.
- Wednesday: play football
- Thursday: play Frisbee
- Friday: play basketball
- Saturday: games turn with younger children of F group
- Sunday: play football.

For the last two months, I have been playing second round basketball with the older children from 5 pm till 6 or 6:15 pm. I enjoy playing with them as I am improving my stamina, speed and learning more rules of the game.

Shramdan

I start shramdan at 6:30 AM and end it at 7:30 AM. There are six groups in shramdan: A, B, C, D, E and F groups and I am now in F group. F group cleans the girl's hostel. In girl's hostel, we clean different areas of the building with a partner, and my partner is Chandrika. We clean areas, such as the main floors of north and south block, toilet cleaning of north and

south block, water filter cleaning, and staircase cleaning. We also take out spider webs. I like to do hostel cleaning.

Festivals

This time I participated in many festivals, and in all programmes I have done dance. On Independence Day, I did a dance taught by Denis bhaiya on “*Vande Mataram*” song. We learnt the dance in one week and I enjoyed learning dance with him. On *Ganesh Chaturthi*, I did two dances: one with Bhagwati on “*Bappa banjara*” song which we had practised in two days, and another dance with some older and younger girls (totally we were 9 of us) on “*Gajanana*” song. On *Raksha Bandhan*, I and some of my classmates, did a play (named “Stay away from bad company”), which we practised by ourselves without anybody’s help. I had taken up the role of a snake. My other classmates, who didn’t participate in drama with us, narrated the story of *Raksha Bandhan*.
