

# **PITAMBAR** 11 YEARS OLD

**NEW CREATION GROUP - OCT'14 TO MAR'15**

## **ENGLISH**

Pitambar can produce very fast moving stories with a lot of twists and turns. His spellings need some work but he seems to improve regularly.

He takes a long time to settle down with his work sometimes. He likes to use new and often exotic words in his writing.

Pitambar had a little trouble remembering his lines initially but was loud and clear in the drama. Has to work towards his hand writing as he appears to be making spelling mistakes while he actually is not.

## **MATHEMATICS**

Pitambar works hard in Mathematics. He always sits with the teacher and frequently asks what has to be done. Sometimes he does mental math quickly.

Pitambar has finished Book - V. He seems confident in fractional numbers. He still needs to work on some areas like decimals, measurements and money.

He understands quickly. He is good in calculations of LCM, HCF, 4 basic

operations and measurements, volume and area

## **HINDI**

Pitambar is moody. He wants to play around. His Hindi reading skills are average. His spellings are ok, he makes some mistakes. He wants to finish his work hurriedly. He thinks and writes. While explaining grammar he does not focus so he takes time in understanding.

## **SANSKRIT**

Pitambar does not focus in Sanskrit. He is distracted. He needs to be explained again and again. When asked of word meanings at times he responds, many times he is unable to answer.

## **ODIA**

Pitambar is very frequently irregular to the class. He can read and write only with the help of diyas. He is encouraged to work independently.

## **SCIENCE AND TECHNOLOGY**

He is quite a good student. He loves to do experiments. On Pranjal Bhaiya's birthday some children did a science exhibition. Pitambar gave a presentation on water as a conductor of electricity.

## **PROJECTS AND ACTIVITIES**

Mischievous and curious; curious especially about things forbidden, Pitambar struggles with concentration and perseverance. He is bright and shows potential nonetheless.

## **SPORTS**

Pitambar is very active on the sports field. He likes to play in forward positions in football and is slowly figuring out how to dribble and keep the ball and has become better at passing. In volleyball he over hits the ball at times but is slowly getting better at service. Has to still learn lifting.
