

Shweta (Saiti) Krisani

DOB- 6th September'17

Report for 2022-23 (Second Term)

INTRODUCTION

Shweta is a very quiet girl. She talks very politely to all. She comes to the school regularly. She loves to come to the school and reaches school before time. She loves to have breakfast in the hostel with her friends. When she comes to the school she likes to play with her friends and likes to draw and count.

MATHEMATICS

She enjoys doing counting especially with the objects in the Maths class. She can identify the shapes, sizes and the colours of the objects and nature around her.

ENGLISH

She loves to listen to the stories in the English class and loves to look at the pictures from the storybooks while listening to the stories. She tries to speak in the class whenever she has a doubt

or when she is asked any question. Sometimes she tries to retell the stories after she has heard them.

CO-CURRICULAR ACTIVITIES

She loves to do all the activities like drawing, collecting materials, paper folding, colouring, closing eyes and identifying the children, and

helping the teacher to clean the group. She loves to do colouring the most.

DANCE

She likes to dance watching the video songs on the TV. She tries to learn the steps by observing the teachers dance.

She dances well and learns the dances fast as she enjoys dancing a lot. She loves to participate in dances for the programmes.

CHANTING AND SINGING

During the chanting time, she chants all the mantras by sitting in a good posture with eyes

closed. Although she has a soft voice, she tries to chant loudly and confidently.

PUZZLES

She loves solving puzzles a lot. She tries to identify and fix the peg puzzles in their respective places as much as she can, and whenever she faces any difficulty, she takes the help of the teachers.

MOVIES

She likes to watch movies with her friends. She sits quietly and watches the movies carefully without getting distracted and tries to understand the movies and the language in

them. Sometimes when she is watching the video songs then she starts dancing and singing along with it with her friends.

GAMES AND SPORTS

She is very active and energetic in the games period. She loves to play games a lot and enjoys playing with her friends. She likes to run and climb trees and jump and also loves to play in the sandpit. She likes to swing on the swings when she goes to play in the sandpit. Her favourite game is Fire on the

mountain'. She is very fast in running. She does all the exercises properly. She maintains discipline when standing in the queue.

SPORTS DAY

She loves to participate in the annual functions and other functions that take place in the school. On the Annual Sports day, she had participated in an act of animals which they performed on an action song where she had taken the role of a monkey. She performed it very well and loved acting and dancing like a monkey on the stage. She loved wearing the costumes of the monkey. She enjoyed a lot on the Sports day.

After the programme, she participated on the sports activities like fun relay races and fun games. She enjoyed playing Musical chairs. She was very excited in doing the activities. She was able to do all the activities very fast.

CELEBRATIONS AND FESTIVALS

She loves participating in the programmes on the functions and festivals that we celebrate in the school. On 14th of November, she had gone for a picnic with the other children and teachers. In the picnic, she enjoyed singing and dancing with her friends a lot. She loved eating tasty dishes in the picnic. On 25th of December she had participated in a dance with her group on the song 'It's Christmas time all around the world'. She loved her performance on that day

and also felt very happy to meet the Santa Claus. On fifth of January, she participated in the Havan. She sat

nicely and was trying to chant the mantras while the others chanted during the Havan. On 26th of January she participated in the flag hoisting. She was excited when the flowers fell down from the flag. On 26th January, we also celebrated Basant Panchami (Saraswati Puja). For this we had a small programme and she performed a dance on the song 'Veena vadinin var de' with her friends. On 21st February she participated in a dance with her group on the song 'Ghode jaisi chaal hathi jaisi dum'. She performed well in the dance and loved having sweets on that day.

PICNIC

On 14th of November, she had gone for a picnic to a nearby jungle, as the teachers had planned for

the Children's Day. She enjoyed a lot in the picnic. She loved eating the tasty food in the picnic and also enjoyed dancing with her group children.
