INTRODUCTION

My name is Chandra Muduli. I have completed my board exams of 10th in Oct-Nov'24. The results were declared in February'25. I have passed with decent marks. I have decided to take admission in a school or college outside and have been preparing for that. I like my school very much. I like the teachers here and my friends. I like to play games very much. My favourite game is football. I am very good at it. I like the activities that they make us do in the school. I enjoyed studying in the school.

YOGA

I like to do yoga very much. I go for my yoga class on time. I am able to do many yoga postures like sukhasana, handstand, chakrasana and scorpion pose. I listen to my teacher and do yoga sincerely. I ask for help to my teacher when I am not able to do something.

SHRAMDAN

I like to do shramdan. In shramdan I do Kitchen, toilet cleaning, hostel cleaning, school cleaning and gardening. I like to do school cleaning the most because I finish my work quickly. I like to do all the shramdan. I help others in doing their work. I do my work sincerely. I am on time for the class. I like to play football. I am very good at it. I also like to play basketball. I have improved a lot in basketball. I have also improved in volleyball. I like to do exercises. I like to do running very much. I can run long distances. I am disciplined on the games field. I follow the instructions of my teachers.

CELEBRATIONS

In my school, I celebrate many festivals like the Mother's birthday, school's birthday, Holi, Ganesh Chaturthi, Rath Yatra, Sport Day, Basant Panchami, Christmas etc. On Christmas I sang a song which was taught by our teacher. I performed it on the stage nicely. I liked the song very much. On 31st I did a dance which I enjoyed doing. I learnt it very fast. I liked my performance. I was not getting nervous while performing the dance. The audience too enjoyed watching my dance. I like to take part in the celebrations that take place in our school. I enjoy all the festivals.

TRIP

We started our trip on 25th of Jan. On 26th we reached Bhubaneswar and went to the Science Museum. There we saw many things related to science like mirror maze, Kepler's theory about planetary motion, etc. We observed some experiments. After that we went to Aul and saw Varaha Mandir and Bhitarkarnika. In Bhitarkarnika we saw many crocodiles and got to know how

the crocodiles are born. In Baleshwar we went to see Sri Aurobindo's relics; Panchlingeshwar temple where we touched five lingam of Lord Shiva. We also went to Khirochoro Gopinath temple, and a waterfall named after Sita. We also went to Chandpur beach. In Baripada we went to Simlipal, a tiger reserve and did a zoo safari. We saw fowl, wild boar, peahen, and a baby tiger. We also went to a Jagannath temple. After that we left for Bihar. On the first day we went to Dashrath Majhi road, and

Vishnu Pad where we saw Sita Setu and Sita Mandir. The next day we bathed in Brahma Kund. After that we went to Jarasandha's Malayudh where Bhīma and Jarasand had fought. We also saw the tracks of chariot. Then we went to Bodhgaya and saw the Maha Bodhi tree. We saw many Buddhist temples like Japanese temple, Chinese temple etc. In nature safari we went on the glass bridge, suspension bridge, and did sky cycling. In Pandu Pokhar we played basketball, football, polo, carom, badminton, air hockey and went over Burma bridge, zip line, and did bull riding and special boating. We also visited Nalanda University where we came to know more about Nalanda. We visited Swarna Bhandar, where the treasure of king Bimbisara is kept. In Pawapuri we visited Jal Mandir. After that we came back to Rourkela where we visited Hanuman temple, Kali temple, birthplace of Ved Vyas and Saraswati River. The next day we left for Kechla and came back on 7th Feb.
