DOB-05-Mar-08

Report for 2022-23 (Second term)

My name is Chakra Krisani. I am in class 10. I love to play and study. I have completed all my courses and am preparing for my exams.

SHRAMDAN

I love to do shramdan. I love to do gardening. I water the plants, dig the field and take out the weeds. I clean the hostel and school.

ENGLISH

I love to do English class. I have finished both the courses of NIOS 10th book. I have been giving two or three chapters tests of the second course and I found it easy. I have also practised letter writing, notice writing, message writing, report writing. I have practiced active-passive and direct-indirect. I have practiced the previous years' questions and got an idea of the question papers design. I am now revising all the chapters again. I have improved my handwriting.

HINDI

I have completed both the courses of NIOS 10th class book. I have completed my assignments. I have practiced the previous years' question papers. Now I am revising all the chapters again. I also did grammar in which I did letter writing, paragraph writing, essay writing, compound, etc. I am practicing for my board exams. I have to improve my handwriting.

MATHS

I have completed the 10th course of NIOS mathematics. I have solved the previous years' question papers. I have been giving practice tests

and doing well in them. I am revising the chapters from other books and solving new problems. I am confident with almost all the chapters. I have completed my assignments and practical. I have been more focused to prevent errors in calculations and writing. I have love to do maths and want to learn more.

SCIENCE

I have completed the 10th course of NIOS. I am revising all the chapters. In physics I have covered all the chapters. I am revising all the chapters again. I am referring to other books and solving the questions from them. I had difficulties

in some chapters like light and electricity, but now I am confident with all the chapters.

I have covered all the chapters of chemistry. I am giving two chapters tests and obtaining good marks in them. I am clearing all my doubts with didi.

I have revised all the chapters of biology with Veerinder didi. I have practiced

diagrams of heart, neuron, nephron, etc. I have also practiced long answer and short answer type questions. I have given tests of individual chapters.

I have given whole book test and solved the previous years' questions. I have completed my assignments and practical.

I love to do science class.

SOCIAL SCIENCE

I have finished the NIOS course of social science. I am revising all the chapters again. I have given tests and scored good marks in them. I have solved some previous years' question papers. I have made my own notes. I am

preparing for the exam. I have to be more focused and improve my handwriting.

COMPUTER

I love to do computer class. I have improved my typing and hand keeping. My gross speed is 19 wpm, net speed is 18 wpm and accuracy is 94%. I enjoy learning computer.

MUSIC

I play tabla in the music class. I have learnt teental, jhaptal, keharwa, ektal, dadra, rupak, etc. We also learn kayadas, paltas, tihai, etc. I play sometimes drums. I enjoy learning tabla.

GAMES

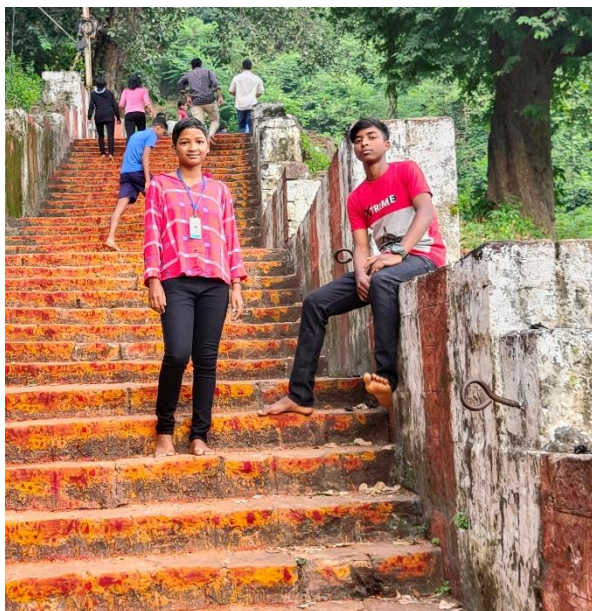

I love to play. I am interested in playing games. I am regular. I do lots of exercises and running every day. I play basketball, football and volleyball.

On sports day I performed unicycle. I found it easy as I had learnt it earlier. I loved practicing for the sports day. I can do backward, jumps and tricks on the unicycle. I helped others to learn tricks. I had a lot of fun on sports day. I participated in the slow cycle race.

CELEBRATIONS

I participated in most of the festivals. I sang the song- 'little drummer boy' on Christmas. I enjoyed very much on Holi. I played Holi with natural colours made from flour and turmeric powder.

TRIP

I enjoyed my trip to South India. I enjoyed traveling in the train. I saw many old statues and temples. I saw Kumari temple, Vivekanand rock, museum, etc in Kanyakumari. I saw the Meenakshi Temple, Rameshwaram Temple, Dhanush Koti, floating rock, etc in Rameshwaram. I enjoyed roaming on the beach and walking around the market and eating mangoes. I loved staying in Pondicherry. I saw Sri Aurobindo's and the Mother's

room. I visited the samadhi of Sri Aurobindo. I was very excited on going on long drives. I loved seeing the birds and animals in the zoo. I enjoyed eating south Indian food like idli, dosa, sambar, etc. I learnt a lot of new things and about new places on the trip.
