

Namita Muduli

2021-22

DOB- 2nd November'16

Namita is a cute and good girl. She always talks softly and always listens to didis and friends. She comes regularly to school. She sits properly and does not disturb anybody. She was not frank but now she has become frank with everybody. She comes to the school very neatly. Her best friend is Baghishri. She talks with Baghishri the most. She needs help of the didis **but** she finishes her work. She is soft spoken. Her pronunciation has improved. She is interested in doing action during the chanting. She sings all the songs which are taught to her. She knows the actions of the songs which are taught to her. Sometimes she is dependent on the teachers when she is not able to do something, but she tries her best. She tries to speak in Hindi but some new words are difficult for her to pronounce. She can understand Hindi properly. When didi speak in English with action then she is able to understand. She washes her hands properly when she comes from the toilet. She brushes her teeth properly.

ART AND CRAFT- She does art with interest. She participates in all the activities. She stays very alert in the class. When didi tells something, then she can understand at once. She enjoyed doing pencil flower pasting and colouring the pictures given to her. She did leaf painting and she enjoyed it the most. She does her activities till they

are finished. In colouring she likes bright and dark colours the most. After doing the activities she herself keeps the things in their respective places.

MATH- In math time she speaks very softly. She tells the correct answer, but very softly. Now didi has told her to speak loudly, which she does. She knows the basics. She knows counting till twenty. She counts with objects. If she is asked what number it is, she tells by showing on her fingers.

STORY TELLING- She likes Hindi stories more than English. She likes to hear animal stories. During story time she sits properly and does not disturb anybody. She likes picture stories. She listens to English stories also.

DANCE AND SONG – She likes to dance. She dances with rhythm. The songs she likes the most are hathi raja and twinkle - twinkle little star. She sings, but very softly.

EXERCISES- She likes to do exercises. She keeps running till didi tells her to stop. She likes to do waist rotation the most. She can do all the exercises which are taught to her.

PUZZLES- She likes to do wood puzzles. She can do small children's puzzles with her friends.

FOOD- She does not waste any food. She eats all the vegetables. She eats neatly.
