**DOB- 02-Nov-16**

**Report for 2022-23**

**(First Term)**

Namita comes to school daily, wearing clean clothes. She can use the toilet properly. She helps in group cleaning. She likes to eat all the dishes cooked in the hostel. Her favourite vegetable is potato. Sometimes she takes more food and is unable to eat. While doing chanting she sits properly without disturbing the other children. She has learnt many songs and chanting. In the chanting time she finds it difficult to pronounce the words clearly. Her voice is very soft.

## **GAMES**

Namita is a healthy and energetic girl. She likes to play and run very much. She never fights with other children. She cooperates with all the children. Her speed is very good and she has been improving her stamina lately. Sometimes she takes time to understand the rules of the game, but when she is told a second time, she understands and plays very nicely.

## **LANGUAGE (Hindi)**

Namita likes to sing with actions. She is very happy when she sings some funny songs. She likes the song

(Hathi raja). She listens to the stories nicely even if she understands very little. She likes to see the pictures of the stories. When didi asks questions related to the story, she tries to answer. She makes

drawings and tries to create short stories of 4 to 5 lines. Most of the time she makes the stories related to her parents (she lost her father around the time of her birth) and she likes her sister Chandrika. For her language development, she does short plays, and performs them in the assembly. She takes time to memorise the dialogues and faces difficulty in pronouncing some words. On Janmashtami she had performed a play. She had played the role of a child in the play. sneaking

## **MATHEMATICS**

She is always present in the group, and she sits nicely and listens to what didi says. She takes time to learn but she always tries to learn what didi is

teaching. She can do forward counting till 20 with pronunciation as she always pronounces the numbers wrong as for 13 as thirty, 14 as forty. She learnt the names of the colours but took time to do so. She can arrange the numbers till 10 with objects.

## **LANGUAGE (English)**

She likes to sing all the rhymes with action. She likes to learn new rhymes. She has learnt many rhymes like “Chai chai”, “Old Mac Donald had a farm”, “One two three four five”, and many others. She likes “Chai chai” rhyme the most and likes to do the actions while singing. She sings these rhymes very softly. She

likes to listen to the stories of animals and she likes to make the sounds of the animals. She sits quietly during story time. She can tell some names of the

pictures. She also did a play “The enormous turnip’ and had played the role of a

monkey. She learnt her dialogues very fast. She enjoyed a lot performing this play.

### ***CO-CURRICULAR ACTIVITIES***

Namita is a healthy and good girl. She likes to be in her own world. She draws pictures like trees, flowers, clouds, sun and mountain but she is unable to draw geometrical figures. She

gets confused while filling up the pictures with crayons. She does her work very slowly. In paper folding she has difficulties to fold the papers. She has patience while doing quilling but she works

slowly. She is able to roll the strips of paper properly. She likes to cut and paste papers on different figures drawn. She tears the paper carefully and pastes them in the pictures. While dancing, Namita gets tired very quickly and sits down. Namita is very cooperative with her friends. Her fine motor skills are yet to develop.

## **CELEBRATIONS**

Namita likes to dress up and do makeup for the programmes. She likes to dance. When she performs a dance on the stage, she feels happy and does well. While performing plays, she hesitates to speak in front of the audience. Her voice is also very soft, so even if she speaks, her voice is also not audible to the audience. She takes time to memorise her dialogues. On the stage she feels shy and nervous. On 11<sup>th</sup> August she celebrated Raksha Bandhan with other groups. On 15<sup>th</sup> August she participated in a dance on “nanha munha rahi hun” and recited a poem “A tree” with her group. On 18<sup>th</sup> August she played the role of a child in the play “The fruit seller”. On 31<sup>st</sup> August she sang “Jay Ganesh” song with her friends.
