

**MADHURIKA GOUDA**

**DOB-26-OCT-16**

**ANNUAL REPORTS FOR 2023-24 (SECOND TERM)**

**ANNUAL ATTENDANCE 364 DAYS OUT OF 366 DAYS**

## INTRODUCTION

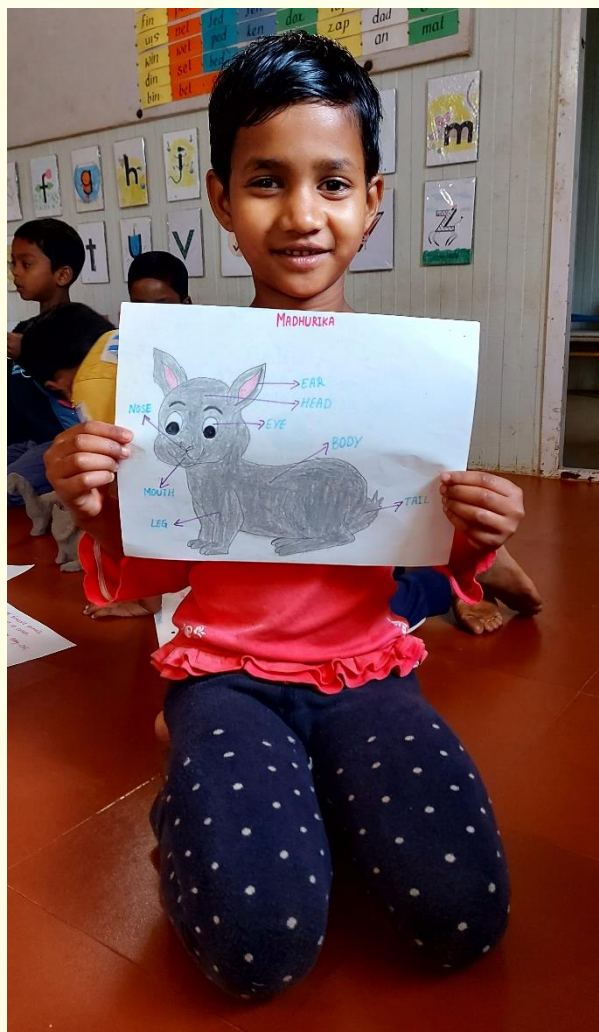

Receptivity group and Manisha in the Peace group and are coming to the same school as Madhurika and the youngest sister Manini is very small so she does not go to the school yet.

## PROJECT

**ANIMAL:** She had done very beautiful clay modeling of animals. She was very patient in working with clay. She had made a beautiful animal and had labelled it with the different body parts of the animal. She is very good in singing the animal songs like baa baa black sheep, and a

Madhurika stays in the hostel and is regular in the school. She belongs to a joint family, with her parents, grandfather, and four sisters. Her father is a farmer and her mother is a house wife. Her eldest sister Lokavya is at home and is helping her parents. Her sister Lavanya is in the

song on animal farms. She is very good at remembering what is taught in the group. After a few

days also if she is asked a question then she is tries to answer the question in full sentences in English. She is very clear of the domestic animals and wild animals. She did the topic on homes of the animals and their babies.

### **FLOWER:**

She is very caring for the flowers. After this topic was finished, she was very much concerned about the plants in the garden. She learnt how to take care of the flowers and to be loving. When she is asked about the flowers, she is most of the times talking about the spiritual things about the flower, like before plucking the flower we must ask the plant, love the flower, take care of it and others. She is very good at remembering most of the Mother's significance of most of the flowers.

### **CLOTHES:**

Madhurika is a very smart girl but she gets very restless in the class. She is very good at remembering things. The

number written on the card. She is very clear about the ones, tens and hundreds places. She is very familiar with the numbers. She is good in understanding the story sums of word problems but needs to improve her calculations. She is very slow in doing the calculations mentally. Written additions are a bit tough for her to do, she takes time.

## ENGLISH

Madhurika loves listening to stories. She enjoys the story and also gives the answers when she has been asked from the story. She was very quick in recognizing the English alphabets both capital letters and also the small letters. While learning the sounds she was a bit confused with the sounds

first day when she learnt how to put buttons, she was putting the buttons wrong. She learnt a clothes song and she was very fast in learning it and she did not have any problem in pronouncing the words. She enjoyed singing the song with the action. She needs to improve more in folding the papers neatly when she is doing origami. She took some time in learning how to fold clothes. She could remember most of the names of the clothes.

## MATH

Madhurika is a very intelligent girl but needs to concentrate more on her mental calculations. She can show all the numbers from one to one thousand on the Ganit Mala by reading the

but now she is very good at it. Now she has started reading the simple three letter words with sounds and can read very easily.

## HINDI

### MADHURIKA: A CREATIVE AND ENGAGED LEARNER

Madhurika's creativity shines through in her ability to craft beautiful stories fueled by her imagination. She displays a genuine love for listening to stories shared by teachers, actively participating by offering answers when questions arise. Her engagement extends to watching Hindi moral stories weekly, contributing to her language development.

One of Madhurika's strengths lies in her comprehension skills; she grasps the essence of a story after watching it and confidently retells it in class, showcasing her understanding and retention abilities. Moreover, her pronunciation has seen improvement, and she has mastered all the alphabets, demonstrating her dedication to language learning.

Notably, Madhurika has embarked on the journey of reading, indicating a proactive approach to expanding her skills. Despite encountering challenges in reading certain words, she perseveres and refuses to give up until she gets them right. This resilience underscores her determination and commitment to learning.

Her passion for music is evident in her enjoyment of singing songs, with an impressive ability to remember lyrics easily. Additionally, her participation in a book-making activity on 21<sup>st</sup> February highlights her creativity and willingness to engage in hands-on learning experiences.

Overall, Madhurika's creative flair, engagement in learning activities, improved language skills, resilience in the face of challenges, and enthusiasm for music collectively position her as a promising student with a bright academic future ahead.

## ART

Madhurika maintains good posture and actively participates in all art activities. She has shown improvement in her skills over the past few months, particularly in drawing, where her images are neatly drawn and often feature nature themes. While she experiences some difficulty in paper folding, she effectively cuts papers in cut paste activities.

## DANCE

Madhurika demonstrates a willingness to learn dance steps, despite encountering some challenges. She actively participates in class and strives to improve her skills. Currently, she is focusing on mastering basic steps in classical dance, showing determination and dedication to her practice.

## PUZZLE

Madhurika is a very active girl. She does her best in doing the co-curricular activities. She enjoys solving different puzzles. She gets very happy the day she has puzzles class.

## SENSE

Madhurika is enthusiastic about drawing and colouring, completing her tasks neatly and swiftly.

She actively participates in all class activities, displaying openness and energy. She finds great pleasure in playing games like "Chinese whisper" and "leader-leader change the action."

## **GAMES**

Madhurika is consistently cheerful and active during games. She demonstrates punctuality and diligently participates in exercises, showing concentration and care. She enjoys playing Chain game and ice and water, displaying a preference for running and jumping activities.
