Report for 2024-25 (Second term)

Introduction

My name is Madhav Krisani. I am 14 years old and studying in Auro-Mira Vidya Mandir. I am in the 10th class. I like studying in this school and enjoy my time here.

Yoga

My yoga time is from 6:00 AM to 6:30 AM. I like doing yoga, but sometimes I miss it because I wake up late in the morning. In yoga, I practise many asanas. I like the tree pose, crab pose, and bichhu pose (scorpion). Nowadays, I am punctual during yoga. However, I cannot do some asanas, but I still enjoy practising yoga.

Shramdaan

In Shramdaan, I do many activities such as kitchen work, cleaning the girls' hostel, toilet cleaning, boys' hostel cleaning, gardening, and school cleaning. I like doing Shramdaan, especially school cleaning. In the kitchen, I help by cutting vegetables. I am regular in Shramdaan, but I do not like toilet cleaning. I prefer school cleaning because I enjoy sweeping. Overall, I enjoy participating in Shramdaan.

Painting

In painting class, I draw nature, objects, and currently, we are drawing animals. I like painting and have completed the 7th chapter. I have given a test and received good marks, but I need to improve to get even better results. I enjoy drawing nature using wet oil colours and watercolours. I have also completed the 8th chapter and answered the questions related to it. I take notes in class and attend regularly. I enjoy my painting classes.

I have art class at 2:30 PM, and I like attending it. In art class, I am learning to draw and paint. Currently, I am learning to draw scenes of village life. I am very interested in art. I do painting, colouring, and more. I have made hanging flowers, and using paper, I have created trees, butterflies, and flowers. I also try to recreate nature's trees. I enjoy doing art.

English

In English, I am studying the 10th-grade book. I have finished reading the syllabus. I can understand the stories and poems when Didi explains them, but I struggle with writing answers. My spelling needs a lot of improvement. When I write fast, even I cannot understand my

own handwriting. In grammar, I have learnt topics like message writing, formal writing, and letter writing. I am clear about message writing, but I still have difficulty with letter writing. I need to improve in this area. I do free reading and enjoy reading *Amar Chitra Katha*. However, I don't try to speak in English often, so I cannot speak it properly. I am learning to write better. I also learnt a song (*Adya Shakti Maa Mira*). Now, I am preparing for my exams. I am very good at singing and have a loud, strong voice. During the performance, I had to lead the song, but I have a lot of stage fear, so I couldn't start. I was very nervous. However, when all my friends joined in, I felt less scared and was able to sing with them.

Hindi

In Hindi class, I like free reading. I am not very good at reading, but I am trying to improve. I am studying the 10th-grade NIOS book. I enjoy answering the questions from the book. I have completed the first book of NIOS and taken a test for each chapter, scoring good marks. I also like grammar, even though I am not very strong in it. I am trying to improve my grammar skills. I enjoy group reading, and I need to keep working on my reading skills. I also like doing dictations. I listen to my teachers carefully and always concentrate in class.

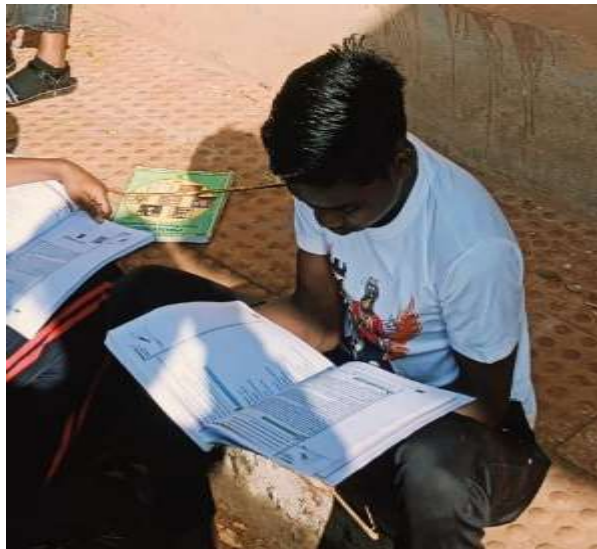

Data Entry

In Data Entry, I am studying the 10th-grade NIOS book. I enjoy this subject and have completed the book. Now, I am preparing for my exams. The chapters in this book were very easy, and I scored good marks in the tests. Currently, I am taking tests for each chapter as revision. I like Data Entry class and attend it regularly.

Social Science

In Social Science, I am studying the 10th-grade NIOS book. I am able to understand all the chapters and concepts. I have completed the History and Geography sections. I have also taken tests for individual chapters, scored good marks, and passed them. I have now started the Civics section. I can understand the chapters, but it is a bit tough for me. Sometimes, I watch videos related to my chapters, which helps me understand better. I enjoy Social Science class. I always do my homework and complete my work sincerely. I am regular in class and do not disturb my teachers.

Art

I like attending Art class. In Art, I am learning to draw and paint. Right now, I am working on drawing scenes of village life. I am very interested in art. I do painting, colouring, and other creative activities. I have made hanging flowers, and using paper, I have created trees, butterflies, and flowers. I also try to recreate natural landscapes. I enjoy doing art.

Computer

I enjoy Computer class. In Computer, I practise typing using Typing Master and do painting. I always come on time. In Microsoft Word, I do drawings and various other activities. My typing speed is currently 40 words per minute, and I am working to improve it to 50. I enjoy Computer class.

Games

I like playing games. My favourite games are football, volleyball, and basketball. Before playing, I do warm-up exercises such as running, joint exercises, and sit-ups. I am also training to build muscle. I attend games regularly and love playing sports. Before football, I practise dribbling and running exercises. Nowadays, I am more interested in basketball because I am improving my shooting skills. I also take extra time to play a second round with the older children until 6:30 PM.

Self-Study

In self-study, I study on my own. Sometimes, I do my homework. I like doing self-study, and I dedicate time to it on Sundays, Thursdays, and Fridays. I do not waste my time during self-study hours. I focus on subjects like English, Hindi, Painting, and Social Science, and I complete my homework during this time.

Trip

I started my trip on 28th November, beginning my journey from Koraput station to Bhubaneswar. In Bhubaneswar, I first visited Lingaraj Temple. The temple was very beautiful. I also went to Nandan Kanan Zoo, which was so large that I got tired of walking. After that, I went to Simlipal, where I did both a zoo safari and a nature safari. During the nature safari, I saw the Khari River. I also visited Usuki Waterfall, Barehipani Waterfall, and Joranda Waterfall, all of which I really liked. After that, I spent the night in Jashipur village.

The next day, I travelled to Bhitarkanika to see crocodiles. Later, I went to Balেশwar, where I visited the Panchalingeshwar Temple. From there, I went to Puri to visit the Jagannath Temple. I saw the three deities, and although the temple was very crowded, I really liked it. After exploring places in Odisha, I travelled to Gaya. There, I visited Arai village and had a great time. I also visited Nalanda University, which was a fascinating place where I learned many new things. Then, I went to Bodh Gaya, where I saw the statue of Lord Buddha and the Bodhi tree. I liked Bodh Gaya very much.

In Arai village, I also saw Dashrath Manjhi's road. Additionally, I visited the Mahabodhi Mahavihara Temple, as well as the Chinese, Japanese, and Sri Lankan monasteries, all of which I found very beautiful. I also saw the 180-foot-tall Buddha statue and visited the Jal Mandir, admiring its intricate carvings. I also travelled to Sapt Dhara Kund and Brahma Kund, where I took a bath. I enjoyed the experience. After that, I went to Rajgir, where I did a zoo safari and visited a theatre. In the safari, I saw deer, bears, tigers, and leopards. I also visited the place where Jarasandh and Bhima fought. Later, I took a ropeway ride and visited Sanchi Stupa. I also went to the archaeological site of Sarnath. After visiting Gaya, I travelled to Lucknow in Uttar Pradesh. There, I visited Kashi Vishwanath Temple and saw a statue of Lord Shiva. Then, I went to Ayodhya, where I saw a beautiful temple and really liked the place. I also visited the Sri Aurobindo Ashram and the Bharat Kala

Museum, which I found very interesting. In Ayodhya, I watched the Ganga Aarti by boat, which I really enjoyed. I also visited the Hanuman Temple and saw the Sarayu Aarti by boat. In Lucknow, I explored the Bhulbhulaiya, which was very intriguing. I also visited Lucknow University and the clock tower. One of the highlights of my trip was meeting an IPS officer and a sportsperson and talking with them. After that I went to Jhansi. I really liked staying at Neha Didi's house and enjoyed the food they served. In Jhansi, I visited Orchha and explored Jahangir Fort. I liked the fort and also attended the light and sound show. I also visited the Planetarium

and the Amar Ujala Press, where I saw how newspapers are printed. I really enjoyed this trip—it was a wonderful experience. I clicked many photos and had a great time.

Celebrations

For New Year, I performed a dance with my friends. I really enjoyed dancing with my friends. I am also good at dancing, and the traditional village outfit I wore suited me well. I looked like a farmer. This year, I also participated in sports events. I took part in martial arts and Dashavatar. In Dashavatar, I played the role of Parshuram and performed well during the programme. I also enjoyed learning martial arts.
