

Tapaswini Hantal

Date of birth-10th Jan - 21

Annual report for 2023 -24 (Second term)

Introduction:

Tapaswini joined the school recently and initially appeared reserved. However, she has gradually become more talkative, particularly with her close friends. Despite her initial shyness, she has become a regular attendee and is making efforts to converse in Hindi.

Circle Time:

During circle time, Tapaswini demonstrates attentiveness by sitting properly with her eyes closed. She has learned several chants including "Asotama Satgamaya," "Om Anandamayee," and "Shri Vakratunda Mahakaya." She endeavours to chant clearly and loudly. Additionally, she has learned songs like "Stuti Aaradhana," "Row Row Boat," "Majhi Re Majhi," "Hathi Aaya Jhumke," and "Lal Lal Motor Bhai," and enthusiastically sings and chants during circle time.

Activities:

Tapaswini enjoys playing with blocks and dolls during activities. She excels at colouring and is attentive when the teacher provides instructions. She engages in activities such as scribbling on paper and finger painting, demonstrating good focus and proper sitting posture throughout.

English:

During English class, Tapaswini sits quietly and attentively listens to stories.

She particularly enjoys observing pictures of animals and plants. She repeats words after the teacher and is expanding her vocabulary with words like "flower," "elephant," and "horse," which she learns from books.

Maths:

Tapaswini is currently learning to count from one to ten in maths class. She diligently repeats after the teacher and enjoys arranging objects in a circle. She demonstrates a keen interest in design and organization during math activities.

Programs:

Tapaswini enjoys participating in programs, although she may feel shy and nervous while performing. She recently performed a song, "O Sweet Mother," on the Mother's Birthday. Despite her apprehension, she takes pleasure in watching the performances of others during programs.
