

Chetna Paraja

DOB-16-Feb-2009

Attendance-126 days out of 182 days

Report for 2024-25 (Second term)

INTRODUCTION

My name is Chetna Paraja. I study in the 10th class. I appeared for my last exams of class 10th in November'24. In 10th, I had taken five subjects: Maths, Science, Social Science, English, and Hindi.

SOCIAL SCIENCE

In October'24, I appeared for my Social Science exam. I took help from our teacher; she helped me with my map work also. For my exam, I practised map work and solved question papers from previous years. I loved studying Social Science. I also took help from other books of NCERT and CBSE. In Social Science, I loved studying History, especially the part about Hitler.

MATHS

In Maths, I loved studying Geometry. I took help from Srinath Bhaiya in Commercial Mathematics and Trigonometry. I solved question papers from previous years. I also gave a test before the exam, where I did not get good marks, but I tried my best. My results were declared in February'25. I obtained 69% in Maths and 65% in Social Science

SHRAMDAN

In the morning, I do my Shramdan at 6:30. In Shramdan, I clean my hostel. In our hostel, we do toilet cleaning, filter cleaning, floor cleaning, etc. I love doing Shramdhan.

GAMES

At 4:30 P.M., we have our games. During our sports time, we play football, basketball, volleyball, and other minor games. I love basketball. In basketball, I love scoring baskets. Before games, I do running and exercises so that I do not get hurt during games.

SPORTS DAY

On Sports Day, I performed the Swagatam dance and participated in the pyramid formation. My group and I worked very hard to create the formation and keep each formation stable for at least a minute. I enjoyed doing the pyramid.

TRIP

I started my trip on the 25th of January. From Kechla, I went to the station by bike. Our train arrived at 7 o'clock. On the 26th of January, we went to the Science Museum, where we conducted many experiments. Later, we visited the science museum, where a sir did experiments, and we enjoyed and learnt many new things. After roaming around in the Science City, we went to Sri Aurobindo School, Khandagiri. There, we visited the Shrine and prayed for some time. In the afternoon, we visited many temples in Odisha. We went to Bhitarkanika, where we saw many crocodiles. We explored the mangrove forest and saw crocodiles, deer, and boars. We roamed around in Bhitarkanika using a bridge built by the locals. I loved exploring the Mangrove forest. The next day, we went to Simlipal, where we did a jeep safari. There, we saw boars, spotted deer, kites, and eagles. After visiting Odisha, we went to Bihar. We took our train in the evening. In Bihar, we visited monasteries where we saw many Buddhist temples. We visited the Dashrath Manjhi Memorial. The next day, we went to Buddha Temple, where they were celebrating the anniversary of the Bodhi Tree. We also visited Sati Kund, where Sati gave Pind to her father-in-law. Then, we visited Venu Van Garden, where we roamed around the whole garden. We went to Brahma Kund to take a bath

in the morning. One day, we visited the Kokalat Waterfall for a bath—it was too cold! We also went to Pandu Pokhar to play and did a nature safari, which was amazing. I visited Kali Temple in the evening. The next day, we caught our train
