DOB-23-Mar-2011

Attendance-180 days out of 182 days

Report for 2024-25 (Second term)

## Introduction

My name is Vidur Jani. I study at Auro-Mira Vidya Mandir. I like staying in the hostel. I maintain discipline both in school and in my hostel. I enjoy participating in all the activities at school and always take part in them. I am a responsible boy and like to keep my surroundings clean. I love my school and my hostel. My hobby is playing, and my favourite game is football. I also enjoy studying.

## Yoga

I like doing yoga very much. I always come on time for my yoga class and do my yoga properly. I am regular in my yoga sessions. Although I am not able to do many *asanas*, I try my best to perform them all. I do not disturb others, and I do not talk during the class.

## Shramdan

In *Shramdan*, I do school cleaning, gardening, and toilet cleaning. I like doing school cleaning because I get to clean my own group's area. However, I don't like gardening. I always come on time for the class and complete my tasks properly. When I

finish my work, I help others with theirs. I am regular in *Shramdan* and do all my work sincerely.

## Science

In science class, I study biology, chemistry, and physics. I like studying all these subjects. I have started the 10<sup>th</sup> NIOS book and have written notes. I find physics a bit tough, but I try my best to understand it. Biology and chemistry are a bit easier for me. Sometimes, I don't complete my homework, but now I always try to finish it on time. When I don't understand numerical problems, I ask Hari Bhaiya to explain them to me. I actively participate in group discussions and activities that my teacher assigns. I enjoy doing new experiments and put in my best effort to study each chapter. I am always on time for class.

## English

I like attending English class. I enjoy free reading and group reading. In grammar, I can understand the concepts and solve the exercises. During free reading, I read

novels and *Amar Chitra Katha*. I also do some writing practise to improve my spelling and handwriting. In the textbook, I have recently finished the second course book and am now revising the first book. I understand most of the questions, and when I don't, I ask my teachers for help. I also participate in group activities.

## Hindi

in group activities.

In Hindi class, I enjoy free reading. I also do grammar exercises, which I sometimes find difficult, but I try my best to understand them. In the textbook, I understand the chapters well and complete the question-answer exercises. I also take chapter tests. I have recently finished the 10<sup>th</sup> NIOS course book and scored good marks. I actively participate

## Maths

In maths class, I am studying 8<sup>th</sup> RS Aggarwal. I have finished eight chapters and am currently working on quadrilaterals. I have also completed the chapters on factorisation, linear equations, and algebra. I take tests on the chapters I complete. I score good marks in the tests, and I enjoy taking them. Sometimes, when I do not understand a question, I ask Bhaiya and clear all my doubts. I pay attention when I

am being taught. I participate in group discussions, concentrate in class, and do not disturb my teachers. I attend class regularly.

### Social Science

In social science, I am studying the 10<sup>th</sup> book of NIOS. I have completed the history section and the geography syllabus. I have started civics and have completed four chapters. I like studying geography and history. I find civics a bit tough, but I try my best. I enjoy answering questions from the textbook. I am punctual for class and do not disturb my classmates or teachers.

### Art

In art class, I do painting, drawing, paper folding, etc. I like painting and prefer using paint and brushes for my artwork rather than drawing. My art is not very good, but I try my best, as I find making human figures difficult. However, I am good at craft and enjoy it. I especially like using scissors and doing easy paper folding, in which I excel. I arrive on time for class and finish my work on time.

### Odia

In Odia class, I have been reading stories and poems. I am not able to read properly, but I still try to read perfectly. Sometimes, I copy-write stories to improve my speaking and writing skills.

### Dance

In dance class, I am learning a new dance called *Murmuration*. I am not very good at dancing, but I try to do all the steps. In my dance class, I have been taught many types of dances. I do not waste my time and practise the dance steps.

### Computer

In computer class, I do typing, write reports, and paint. I have improved a little bit. Sometimes, I do practical tasks such as printing, opening a new file, etc.

## Games

I like to play games very much. My favourite game is football. In games, I do a proper warm-up. I like to play football, volleyball, and basketball. I need to improve my basketball and volleyball skills. I have improved a little, but I am trying to improve more. I am regular in my games.

## Gardening

In gardening, I like to do plantation work and water the plants. Sometimes, I dig the soil, and sometimes, I remove weeds from the garden. Now, I am learning the techniques of planting. I am improving.

## Celebrations

During some festivals, I take part in programmes. I like to do drama and prefer to take the easiest role in it. I don't like singing on stage because I have a lot of stage fear. I take less time to learn dialogues, but I feel very nervous while performing on stage. I learned the song easily, but I struggled to pronounce some words.

## My Trip Experience
