DOB-01-Oct-11

Report for 2024-25 (first term)

Attendance-183 days out of 183 days

ODIA REPORT

I like to read books, listen to stories, and learn songs. I can read big words correctly. In dictation, I make spelling mistakes. I have Odia class on Saturdays and Mondays. I sometimes watch movies in Odia. I can't speak Odia properly, but I practise to improve my language skills. If I don't know the meaning of a word, I ask. I have seen movies like *The Golden Axe* and *The Kerandi Fish*. My handwriting is nice, but it gets messy when I write quickly. I like to listen to songs.

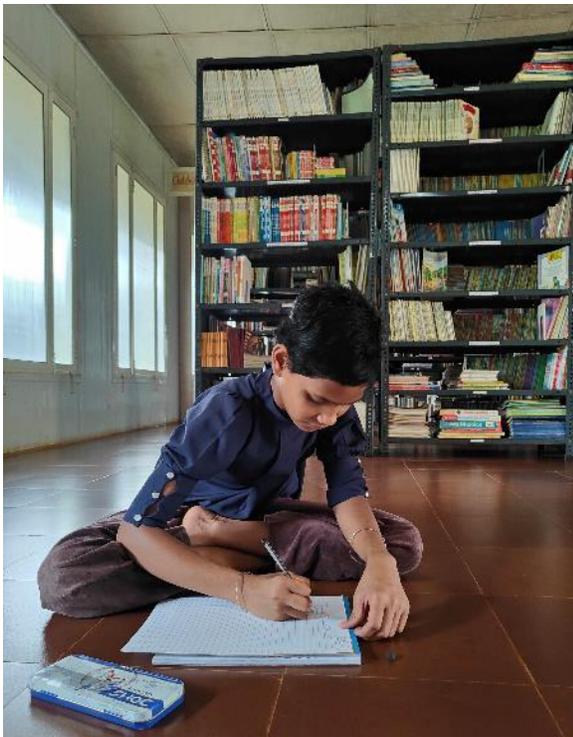

ENGLISH REPORT

I enjoy many activities with Sangita Didi. She helps me read big words. My class starts at 1:30 and ends at 2:30 pm. Sometimes, we do free reading, and I also participate in group reading. After group reading, Didi gives us dictation, and I correct any mistakes before checking with the group. We occasionally watch movies during English class. Didi teaches me about nouns, pronouns, adjectives, sentences, articles, verbs, and many other topics. If I struggle to read certain words, Didi helps me. She encourages me to ask questions if I don't understand something. Didi also gives me homework to do in my free time.

HINDI REPORT

and Didi asks me to redo the work. When Didi explains something and I still don't understand, I revise it in my mind and then start my work from the book. After completing it, I check my answers and make corrections as needed. Didi has also taught me how to convert fractions to decimals.

SCIENCE REPORT

I have learnt about acids and bases. I enjoy science class, but there are moments when I feel

I start my Hindi class at 8:30 in the morning. In Hindi, I am working with 4th grade grammar book and revising four chapters. I also do free reading in the library, enjoying many books, such as the *Panchatantra*. Sometimes, we take dictation. Didi always encourages me to complete my workbook quickly. I try to focus on the grammar book, but sometimes I struggle to answer questions. I try my best to answer, even if I'm not always correct. I do the book question-and-answer sections properly, but there are times when I can't provide the right answers in class. I study well, but I sometimes find it challenging to complete the questions she assigns. Didi advises me to practise answering questions more effectively.

MATHS REPORT

My class starts at 9:30 and ends at 10:30 am. I am currently revising the chapters thoroughly. When I don't know the answer, I ask for help. Right now, I am revising the decimal chapter. I can solve the questions easily. I try to write faster, but at times, I write slowly. My handwriting is generally nice, but when I write too quickly, it becomes messy,

bored and don't want to answer questions. My class takes place from 9:30 to 10:30 am. I am currently studying 7th grade book. Recently, I conducted an experiment based on Bernoulli's principle, and I was very interested in it. I find science easy, and I enjoy doing my homework. I explained the experiment nicely to the others, and they were engaged. I try to help others understand, and sometimes, I show pictures related to the experiments. Occasionally, we write notes on the chapters we study.

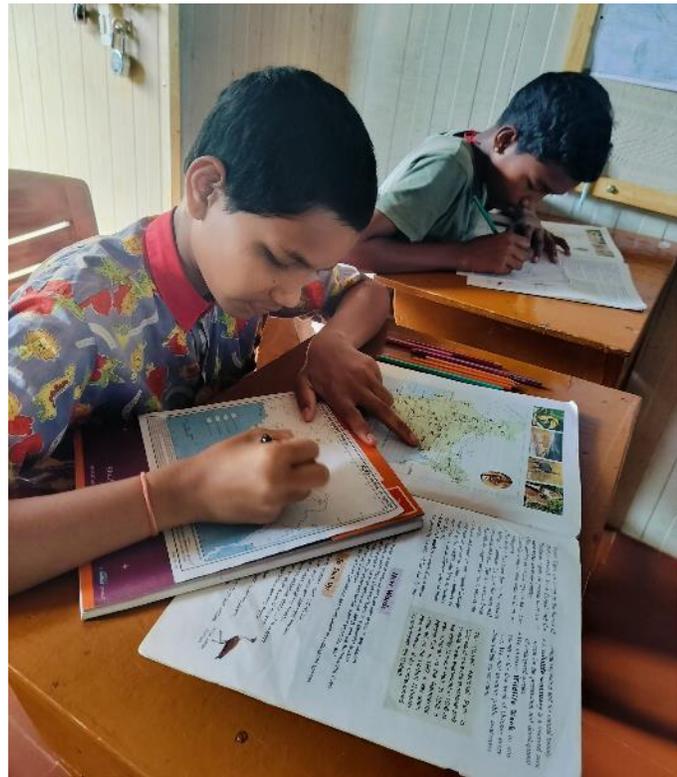

SOCIAL SCIENCE REPORT

I have my social science class from 11:30 to 12:30. We get homework, and the next day, our notebooks are checked. When I get my notebook, I correct my work, and then we take a test on the chapter. Currently, I am studying Chapter 8.

Sometimes, I ask when I don't understand something. Didi encourages me to seek help. Occasionally, Didi shows us a movie related to the chapter during class time, which makes learning enjoyable.

I enjoy learning various topics. Although I strive to study diligently, I sometimes struggle to write quickly during tests, which affects my performance. Nevertheless, I study hard, and I often achieve good marks on my tests.

DANCE REPORT

I attend my dance class from 2:30 to 3:30 in the afternoon. I enjoy learning various dances, such as Bhangra and Bharatanatyam. Currently, I am focusing on Bharatanatyam.

Whenever I don't understand a step, I ask for help. I practice the steps in my free time. We learn many steps in class, and I appreciate the guidance. However, sometimes I feel bored,

which makes it difficult for me to learn the steps effectively. I often perform on stage, but I sometimes feel nervous. Despite this, I get support and learn step by step.

MUSIC REPORT

I enjoy my music class with Mani Didi in the evening from 6:15 to 7:00. She teaches me various sargams like S, R, G, and sometimes we learn songs. Didi advises me to practise the sargams and she occasionally plays the flute, asking me to identify the sargams she plays. When I correctly identify them, she encourages me to play them on the flute.

If I struggle to play properly, Didi is patient and tells me to try again. I like my flute class with Mani Didi, and I always look forward to learning new sargams.

GAMES REPORT

I enjoy playing football and basketball. During games, I generally play well.

I typically run seven rounds on the field before exercising and then play games. In basketball, Didi teaches me how to pass the ball effectively. I play

with my friends during games time, which is from 4:00 to 5:15 pm. After games, I go for a bath.

SHRAMDAN REPORT

I enjoy cleaning the school in the morning. My favourite activity is hostel cleaning, which I do after yoga. During hostel cleaning, I particularly like mopping the floors. I usually try to complete my tasks quickly, but

sometimes I get late, which makes it hard to finish the group cleaning properly. If I do fall behind, Didi helps me work faster. With her assistance, I can complete my Shramdan quickly, and I always enjoy participating in the morning.

ART REPORT

I strive to do my best in drawing. I have learnt various techniques, including

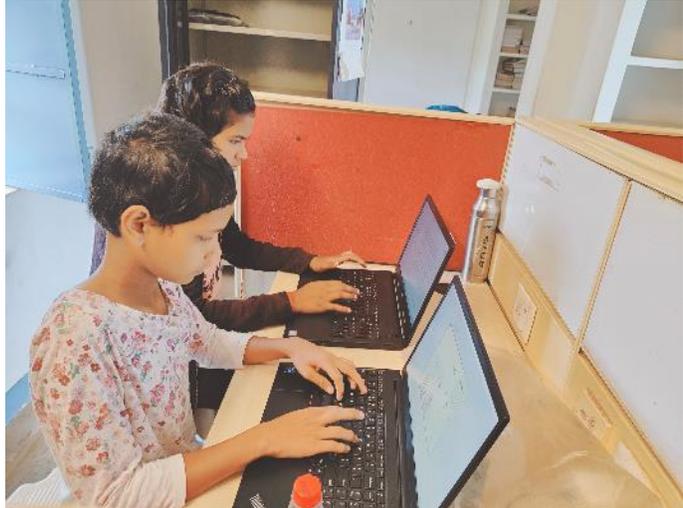

paper folding and drawing different items. I've created many projects, such as airplanes, rabbit boxes, and hanging decorations. My art class is held from 2:30 to 3:30 pm. Sometimes, Didi shows us movies related to our projects. She encourages me

to fold the paper quickly, and if I struggle, she helps me get it right.

COMPUTER REPORT

I enjoy my computer class in the evening. I particularly like working on typing exercises using Typing Master. Although I can't type very quickly yet, I am trying to improve. I attend computer class on Sundays, and sometimes do painting on the computer.

YOGA REPORT

I practise yoga early in the morning with Bina Didi. I learn various yoga postures, which I find very beneficial for my body. I enjoy practising different poses, with Chakrasana being my favourite. I attend yoga class from 6:00 to 6:30 AM. Didi reminds me to perform the postures nicely, and I appreciate her guidance during our morning sessions.

SATSANG REPORT

I attend Satsang every evening from 6:15 to 7:00. During Satsang, I make sure not to disturb anyone,

and I stay attentive and awake.

When Didi teaches

me something, I focus on learning the songs she shares. Occasionally, Didi tells us stories during Satsang. Recently, Shantanu da came and guided us in practising various sargams, which I enjoyed.

CELEBRATIONS REPORT

July 5th: On the school's birthday, I performed a Bhangra dance. I enjoyed both the dance and the celebration.

July 7th: During Rath Yatra, I danced again, performing the same dance from the school's birthday to a Punjabi song. I had a lot of fun!

July 10th: I participated in a play about Lord Jagannath, where I took on the role of a minister. I performed my role well.

August 15th: On Independence Day, I danced to "India Wale." I executed the steps nicely and felt proud of my performance.

Ganesh Chaturthi: On this day, my friends and I danced to the song "Namaste Ganapataya." I gave my best performance and really enjoyed dancing in front of everyone, though I was a bit nervous.

Raksha Bandhan: During this celebration, we recited poems that we had written ourselves. I felt confident and read out a story as well.
