

# Sasila Pukia

Date of Birth-  
18<sup>th</sup> February 2014

April 2018-March 2019

# Sasila Pukia

- She everyday comes to school neat and clean. She has learnt how to use toilet but she can't clean herself properly. She plays well with her friends. She shares her things with everyone. She eats all vegetables but she eats very slowly.

# Sasila Pukia

- *Circle time:*
- In circle time, she can't sit properly. Sometimes she chants but most of the time her mouth is shut. While it is time to sing, she does not sing most of the songs. She sings only the songs that she likes. She likes to sing "aha tamatar bada mazedaar". She sings it very loudly.

# Sasila Pukia

## *Maths:*

Sasila has learnt names of colours. She can identify big and small, heavy and light, fat and thin. She can also identify a few shapes. It is hard for her to concentrate by herself. When didi tells her to do something, she does not listen. Her pace to learn new things is very slow. She can count upto 10 and name her body parts.

# Sasila Pukia

- *Language:*
- *Hindi:* Sasila has a loud voice. During story time, she listens attentively. She tells creative stories very nicely with action and sounds. She likes to tell animal stories. When didi asks who wants to tell a story? Then she wants to be first. She loves to make up stories using her imagination. She has some pronunciation problems. Like she says “kha” instead of “ka”. She knows names of some fruits, vegetables, flowers, animals and birds.

## LANGUAGE

### *English:*

Sasila is always playful. She is very sweet and always needs special attention. She likes action songs and sings them clearly. During storytelling time, she keeps herself busy playing and easily gets distracted. She loves to do role-play and remembers her lines. She can answer simple questions by using words or phrases. She has to think hard to remember the naming words.

# Sasila Pukia
