

# Sachindra Jani

Date of Birth - 9<sup>th</sup> December 2006

April 2018 - March 2019

# Science-

I work hard but have not developed doing question answers myself. I can study by myself. I have improved my handwriting and can read properly. I ask my doubt to my teachers.

I am doing book 8<sup>th</sup> in science and have almost completed the book.

I need lots of improvement in writing answers and I need to work hard.

# Games

In games I do lots of running and exercise. I like playing goalkeeper in football and I am very good at it. I also play basketball and have just started learning.

I am very good in taking rebounds in basketball. I play volley ball and I don't like playing minor games.

# Yoga

I can do yoga nicely and I can do all the asanas.

# Games

Before going to play games, I do lots of exercises. I like to do sit up and pushups.

## Hindi

My loud reading is good but my writing skills are very poor.

We have just completed book 7<sup>th</sup>. I need lots of help in grammar and writing.

I am doing a different book for my spelling improvement. I have done synonyms, Antonym and suffix. I am doing essay writing and paragraph writing.

## Music-

I have started learning keyboard and have left playing tabla.  
I play keyboard quite well and can play a few songs like twinkle twinkle little star. I can play village songs very well.

## Art-

I like to draw and paint objects like leaf, flower, house and trees.

I am improving my drawing.

My colour mixing and my coloring are very good.

## Social science

I ask my doubt to my teachers. I am very poor in doing the tests.

I am not able to concentrate in the class and talk too much.

I think social science is little tough for me because I don't understand the concepts.

## Mathematics

In maths i am doing book 6<sup>th</sup>. I like doing maths a lot. I make silly mistakes. I get two classes a day to do maths. My favorite subject is maths.

# English

I like to do story writing. I don't pay attention in class and i like to read stories alone. I have finished the grammar book. I like to read ghost stories.

I have learnt the poems- Thy golden light. Who, Krishna, and tree. My handwriting has not improved and i write wrong spellings.

## Trip

On the trip i liked to roam around and we had gone to Jaipur, Gulabpura.

We ate ice-cream. I saw temples in Rajasthan.

## Odia

Odia is a boring class for me and I don't like to study Odia.

## Gardening

I like to do gardening because it is easy work for me.

## Computer

I like computer typing and my speed is 30 wpm.

# Report written by teachers..!

## Dance, Music & Art-

He attends the art class with interest but loses patience in half an hour.

Sometimes he does not follow instructions. He needs to be more patient and obedient.

In the class he mostly copies the pictures of trees and houses. He needs to develop the still life drawing skill.

# Social Science

He is interested in the subject but he is dependent on the teacher. He finds it difficult to answer questions and his writing scheme and memorizing power are very poor.

He doesn't give notebook for recorrecting after he has rectified his mistakes.

He gets poor marks in the test. But he tries his best.

# Mathematics

He is a slow learner. He is regular in the group. He is able to do whole number. He needs extra attention to understand concepts.

He dislikes word problems. Whenever he makes any calculation mistake, he accepts and corrects it.

He has learn fraction. In fraction he is able to do addition.

After some time he forgets how to do it.

# English-

Sachindra has improved his reading but he still needs attention from the teacher. He can read books himself and in group he tries to read. He never asks teachers when he is not understanding. He never comes for checking.

He needs to improve his writing and spellings. Because of his bad handwriting it is very difficult to check his notebook. He has learnt letter writing but needs to improve. He does all questions wrong. He never tries to speak in English. He had to read a storybook and tell the story in class.

He was not fluent in speaking. He was making mistakes so the teacher corrected him. He had to read a Hindi story and translate into English. It was difficult for him and needed help from teacher. He has read books this year-

- Captain courageous
- Monte cristo
- Little riding hood
- Samson and delilan

# Hindi

He enjoys reading and doing question answers from the book but sometime when we explain something in group and ask him to write, he doesn't understand and never asks.

He writes whatever he understands which is usually wrong. He is slow in group and in writing.

He has to improve his vocabulary and sentence structure. He likes to read ghost stories.

His reading and understanding is fine.

## **Odia**

Sachindra is trying to do his best. He tries to read in all activities.

## **Science**

He took part in all the topics. He likes to do science activities and experiments.

He is familiar with crop production, Microorganisms, Metals and non-metals, Light and Planets and Stars. A few times he participates in group discussions.

His carelessness and distracted behaviors adds to errors in his work. He cannot concentrate for long.
