

Nandini Pukia

Date of birth-28th Apr -20

Annual report for 2023-24 (Second term)

Introduction:

Nandini hails from a distant village and accompanies her father to school. Initially shy, she has now become friendly with her peers and enjoys attending school regularly.

Circle Time:

During circle time, Nandini strives to sit quietly and focus on the activities conducted.

Activities:

She delights in playing with blocks alongside her friends and also enjoys scribbling and colouring on paper. While she generally sits properly

during activities, she occasionally gets distracted by her peers, yet manages to complete her colouring neatly and promptly.

English:

In English class, Nandini displays attentiveness and concentration. She eagerly listens to stories and actively participates by answering questions posed by the teacher. She is currently learning new words such as "sun," "flower," "tree," and "bird."

Math:

Nandini has mastered counting from one to twenty independently. She enjoys counting various objects like

sticks, stones, and leaves, demonstrating a keen interest in exploring numbers through practical activities.

Programs:

Nandini enjoys attending school functions, particularly appreciating the performances by older students. During a program on the Mother's Birthday, she performed the song "O Sweet Mother," albeit with some shyness on stage.
