

VIKAS GOUDA

Age: 6 years

Vikas is a sweet, smiling child with a sharp memory.

He is attentive in the group, remembers / retains whatever is taught. He enthusiastically participates in all activities of the group.

Vikas is from village Girlaguda. He stays in the hostel and is regular to school. Vikas has a sibling studying in the older Aspiration Group.

Many times Vikas is loud, he talks, chants, sings loudly. Many times he speaks out of turn, doesn't let the other children think and respond. He is continually encouraged to speak softly and wait patiently for his turn.

Vikas mixes with everyone in the group. His special friends are Surendra, Jagdish, Vikram, Prabhat, Khagendra.

Vikas is completely engrossed watching movies. He can't take his eyes off. He likes animated stories.

Vikas doesn't waste food; he will sit for long and finish it.

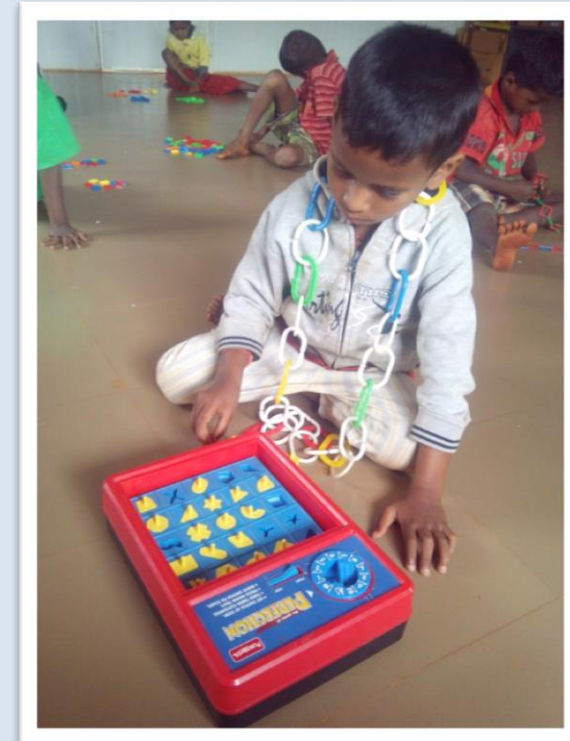

ENGLISH

Is a bright student, he picks up new words, songs and concepts quickly. He would also benefit from challenging work.

He has a tendency to speak loud in the class and interrupt while other students are asked to reply. He is strongly encouraged to wait for his turn and work on being polite with his class mates.

Vikas takes interest in singing songs and rhymes. He picks up English songs quickly. He speaks the language, trying to make sentences. He also corrects others.

MATHEMATICS

Vikas is doing quite well in Math. He picks up new concepts with ease. He has an analytical mind. He knows counting up to 1000. He can read and write these numbers as well.

VIKAS GOUDA

Age: 6 years

He can easily tell number before, after and in between, do the ascending/descending order for 3 digit numbers.

Vikas does simple addition mentally and subtraction using objects. Sometimes when in hurry he makes mistakes. He is being urged to think calmly and not hurry.

He has learnt the table of 2. He also knows all 2 and 3D shapes.

SKILL DEVELOPMENT

Vikas is interested in all types of skill based activities. He does everything with lots of focus.

VIKAS GOUDA

Age: 6 years

He is being helped to improve his fine motor skills. He does cutting pasting with lot of care. He tends to finish his drawing hastily. He is regularly referred to improve.

Vikas enjoys doing puzzles, playing with blocks and cars

PHYSICAL DEVELOPMENT

Vikas is energetic. He likes football, jumping, playing on the swings. But he wants to play with few friends only. Vikas also does dance. During the contemporary and Odissi dance orientations he was quite excited.

Vikas has great potential.
