Report for 2022-23

(First Term)

Ajit is a smart and frank boy. He comes regularly to the school. He likes the school environment. He mingles up with everyone easily and is able to express his thoughts and feelings to the didis. He talks to everybody in Hindi using words of the village language when he doesn't know the Hindi word for it. Ajit will learn languages easily as he is very active in the group.

He always comes to school wearing clean clothes, after taking a bath. He always he has to develop a and paneer. He in the group.

brushes his teeth independently. Now good food habit as he only eats rice, dal happily gets involved in all the activities

## *Chanting*

During circle time, he sits silently with open eyes as he feels uneasy to sit with closed eyes. He chants the mantras properly and loudly. He also likes to sing with the group. Sometimes when he finds some words difficult in the middle of the song, he keeps quiet without uttering the words. He does the actions beautifully while singing.

## *Drawing*

activity is freehand  
flowers etc. He is so  
in the drawing period.

During the drawing class, his favourite  
draws many things such as house, tree,  
energetic that he gets restless after a while  
When he is asked to do colouring, he is in a  
hurry most of the time and tries to complete it fast and run away. Therefore his art works are left  
incomplete. He needs to improve his concentration so as to complete his work. He also needs to focus  
on improving his fine motor skills.

## ***Dance***

He likes to dance. He only dances when he feels that he is not being watched. When he has eye contact with anyone while dancing, he suddenly stops. But he will overcome his shyness soon.

## ***Games***

He enjoys playing games the most and also actively participates in all the exercises like running, jumping, joint exercises. During games he cannot tolerate if something wrong happens. He keeps an eye on everybody and keeps complaining to didi if somebody pushes someone by mistake or if somebody touches someone while exercising or while running. He says “Didi, he pushed her but did not say sorry”. But he is always encouraged to concentrate in his own work.

## ***Movies***

He is very interested in watching rhymes and dances. He likes cartoon films the most. So he watches quietly till the end.

## Mathematics

Ajit is an intelligent boy. He has learnt counting till 15. In the class he likes to do counting with objects and he also likes to do math activities. Sometimes he also helps other

children in the class. When didi gives activities to do, then he finishes one activity quickly and tries to do some other activity. He needs to pay more attention in the class.
