

# Priyanka Gouda

DOB-02-Feb-2013

Attendance-164 days out of 182 days

Report for 2024-25 (Second term)

## Introduction

Priyanka is a cheerful child. She keeps laughing and smiling most of the time by talking to her best friends- Raila and Jigyasa. She is a tall and a healthy girl. She stays in the hostel and maintains good hygiene. She keeps her belongings in an arranged manner in the room and in the school too. She not only takes good care of herself but also of her younger sister in the hostel. Her favourite subject is Hindi. She loves playing basketball a lot.

## Mathematics

Priyanka is currently working on class 4 maths book. Right now, she is studying factors and multiples, and she has already completed several chapters, such as addition, subtraction, multiplication, and division. She enjoys addition and subtraction, but she makes many silly

mistakes in multiplication and division. When tackling word problems, she sometimes struggles to understand the question on her own, but when the teachers explain it to her, she is able to answer correctly.

## Science

Priyanka is a shy and quiet girl. She only talks when she has been asked questions. She is a good listener. She needs extra time to understand and grasp the concepts in science. She is very focused and attentive in class. She needs to open up and

build up the confidence to speak and ask questions and doubts. She likes writing and doing the activities related to science. She does the work given to her very sincerely.

### Social Science

Priyanka enjoyed studying the fourth chapter on the first cities. She liked studying about the ancient cities. She likes studying history as she finds it interesting to learn about the kings and their achievements. She likes

answering the questions from the textbook. She learnt many a new terms that she had not heard about. Before going on the trip to Bihar, she had read about Lord Buddha and could relate it with all she saw in Bodhgaya. Whenever new concepts are taught, she understands it and tries writing in her own words. She usually gets good marks in the tests. She can understand the concepts better when she learns them in a group.

engaged with 4<sup>th</sup> grade GUNJAN book and she also studies grammar from the 3<sup>rd</sup> book. After understanding the lesson, she answers the questions by herself. Whenever she does not understand something, she asks. If some mistakes are found, then she corrects those mistakes and gets her notebook checked. Her handwriting has improved, but she writes very slowly. She likes to go to the library and read HINDI stories. Now she reads much better than before. She mostly likes to do copy writing. She makes a few mistakes while reading. During dictation she makes mistakes and then writes the corrected words ten times. She takes time to tell the story by himself. She is not able to pronounce some letters clearly while telling the story. But after the teacher corrects her, she improves her speaking.

### Hindi

Nowadays, Priyanka studies with greater concentration than before. She is currently

### English

Priyanka is able to sit quietly during the class. She needs a little improvement in her handwriting and her spellings and speaking. She has started speaking in English. She likes to listen to stories. She has read many stories like The three bold pixies, The pixies' handkerchief, The squabblers, The three pixies' birthday, Wisky wasky and weedle, A muddle of pixies, Silly little goofy, The pixies make a pie, The three pixies up a tree and The runaway apples. She is able to understand the stories which she reads. If she doesn't understand the meaning of any word, she uses a dictionary or she asks her teachers. She is doing the third-class grammar book. She is able to solve the grammar concepts which are given in the book. She is also solving the third-class textbook. She is able to answer the questions which are given in the class.

### Odia

Please refer to the group report.

### Computer

Please refer to the group report.

### Dance

Priyanka is always punctual for dance class and loves to dance. She has a great interest in it and, despite finding some difficulty in learning new steps, she works very hard. She never complains about

struggling to keep up; instead, she puts in her best effort.

### Arts

Priyanka is a creative and enthusiastic learner who enjoys exploring different forms of art and craft. She learnt how to make hanging stars and balls for the Christmas celebration, which added to festive touch to the decorations. The stars she made with her group were in a variety of colours, making them look vibrant and cheerful. After making one star under her teacher's guidance, she confidently created many smaller sized stars to hang in her group. Along with crafting, she also worked on drawings using warm and cool colours, which was an existing experience for her. One of her

favourite pieces was a half sun-moon drawing, where she experimented with colours to create a beautiful contrast. Through her dedication and creativity, Priyanka continues to improve her artistic skills and enjoys every step of the process.

### Puzzles

Priyanka loves to fix the puzzles. She is now doing the 1000 pieces puzzles of Taj Mahal in a group. She helps her friends to find the pieces

and also fixes it. Sometimes she is talkative in the class. She gets overjoyed if she finds the right piece.

### Games

Priyanka is always on time for the sports session. She loves playing all types of games. Her favourite game is football. Recently she has started playing basketball, and she loves playing it. Other games which she plays are minor games and volleyball.

### Yogasana

**Please refer to the group report.**

### **Shramdaan**

Priyanka does shramdaan every morning from 6:30 to 7:30. She does various activities such as gardening, kitchen work and cleaning work in the school, boys' hostel, girls' hostel, and of the toilets. She does all these activities with sincerity. She loves doing shramdaan in the girls' hostel the most. On the days when she goes for toilet cleaning, she enjoys cleaning the sink the most. When she goes for school cleaning, she sweeps the paths in the school and also cleans her group.

### **Satsang**

Priyanka attends the evening satsang regularly. She is punctual and also takes her friends and the younger ones with her to reach on time. She enjoys singing songs during satsang. She likes to sing bhajans, patriotic songs and other songs too. She learns the new songs with lot of interest. She faces difficulty pronouncing a few words and in memorizing the songs but puts in an effort and learns them. She remains active throughout the satsang and sings all the songs happily with everyone. She is able to sit erect for sometime and needs to bring a habit of sitting in the correct posture for longer.

### **Celebrations**

Whenever there is a function or a festival in the school, Priyanka actively takes part in the programmes. She likes to take part in dramas, singing and dancing. She enjoys learning and performing on the stage and always tries to give her best in all the performances. She is very fond of dancing, so she learns quite easily and performs confidently. She takes time to memorise the dialogues in dramas and works hard on them and comes up performing well on the final day. Priyanka enjoys wearing

the costumes for the programmes and also enjoys eating sweets on the days of celebrations. Priynaki took active part in the celebrations and went for the picnic. She enjoyed doing kayaking as it was a new experience for her. She was able to follow the instructions and paddle properly. On 29<sup>th</sup> November, she performed a sargam with her group. As she loves dancing, she participated in dance and performed it on Christmas. She had fun celebrating Holi in the school. She liked taking a mud bath the most. She liked *lassi* the most out of all the food items that were put up in stalls. She had *dahi vada*, but didn't like it much as it was a new taste.

**Sports Day-** I liked Saree Dance which was new and unusual for me. I was scared to perform it openly. I easily remembered all the steps and felt that extra practise

was not necessary. I enjoyed the song which made me jump up to dance. The formation that I really liked was the drawing of mats. It was bright and colourful in a zig-zag pattern. I practised with my friends, once daily in the evening.

### **Educational Trip to Odisha and Bihar**
