

Jigyasa Dami

DOB-22-Apr-2012

Attendance-177 days out of 182 days

Report for 2024-25 (Second term)

Introduction

Jigyasa is a cheerful girl. She is quite talkative too. She is seen talking and laughing most of the time. She behaves in a good manner with everyone. She loves spending time with her best friends Raila and Priyanka the most. She is a tall and a thin girl, but she is quite strong. She maintains a good hygiene and takes care of her belongings. Her favourite food is *seviya* (vermicelli). Out of all the subjects, she enjoys studying English the most. She is also fond of playing basketball and base-kickball. Her hobby is drawing and colouring pictures. She is quite good at it. She indulges in this activity in most of her free time as she wants to excel in painting. She wants to grow up to be an artist. Her dream is also to become a police officer.

Mathematics

Jigyasa loves maths and is currently using class 5 maths book. She has completed many chapters, including numbers and number names, as well as the four operations. Now, she is working on the factors and multiples chapter. While doing division, she often made silly mistakes in tables and subtraction. Sometimes, she struggles to understand word problems and asks the teachers for help. Additionally, she occasionally makes silly mistakes in addition and subtraction.

Science

Jigyasa mostly understands the concepts of the chapters taught. But she needs extra explanations and practise to catch up with the class. She is shy about asking her doubts. She participates in group discussions and tries her best to answer the questions asked. She is usually attentive and a good listener in class. She mostly likes to listen to interesting facts and topics outside the chapters. She enjoyed studying the chapter *Solids, Liquids and Gases* the most.

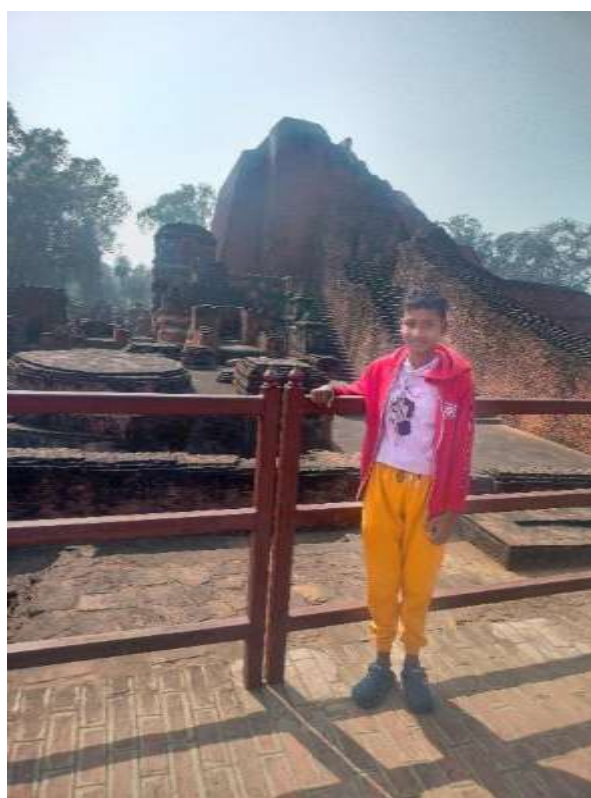

Social Science

Jigyasa liked learning about the origin of the new ideas like Buddhism and Jainism. She made the drawing of Lord Buddha for a chart. On the trip, she saw the place where Lord Buddha had meditated to attain enlightenment, and was very happy to see it.

She likes answering the questions from the textbook. To understand the concept better, she read the comic version of Lord Mahavir and Lord Buddha and also saw some short videos which gave clarity. She pays attention while the teachers explain any concept, and she asks her doubts. She understands better when the teachers explain the concepts.

Hindi

Jigyasa is an obedient girl. Her reading speed has notably increased, and she now engages attentively in class activities. Her handwriting is very neat and clean. She has finished 4th book of GUNJAN. After completing the 3rd book, she gave the whole book test. After getting poor marks in the first test, she gave a re-test. After working hard, she obtained good marks. Now she is doing class 5th of GUNJAN. After understanding the lessons, she solves all the questions and comes to ask what she does not understand. After her

work is over, she comes to get her notebook checked. She is also studying the 3rd book of grammar. She likes to read different types of stories in HINDI. She also likes group reading. She spends time in creating stories by herself. She likes copywriting. While she occasionally struggles with matra's during dictation, she diligently corrects her errors. On the Mother's birthday she participated in a play based on the Mother's childhood stories from the book 'MERI MAA'; in which she played the role of "NARRATOR". She quickly remembered her dialogues. She was very happy to do this play because she likes the Mother's childhood stories very much.

English

In English class, Jigyasa focuses in language understanding, reading, writing, and grammar. She understands a little bit and enjoys reading

various books such as games in goblin land, the red and yellow hoop, the one-eyed rabbit, the disobedient doll, catch him quick, and good dog tinker. Currently she is reading good dog tinker. Her handwriting is neat and clean. In grammar she is studying from 4th class book, and she likes to do fill in the blanks and working on grammar exercises. In the textbook, she faces some difficulty in long questions on which she works very hard. She always does her homework regularly.

Odia

Please refer to the group report.

Computer

Please refer to the group report.

Dance

In dance class she has learnt many steps. She likes to do any type of dance that is being taught by the teacher. She has learnt more steps of kathak. In dance class I concentrate and observe the steps properly so I catch the steps very quickly. I like to learn many dances and perform it on the stage. In Christmas she did a dance on the song last Christmas.

Arts

In art class, Jigyasa works on various projects, such as warm and cool colour drawings. She enjoys drawing and looks forward to art class. She has created hanging stars and balls, as well as nature drawings. She is improving her drawing skills and works quietly.

Puzzles

Jigyasa loves fixing puzzles. She is always on time for the class. By putting all her interest she tries to tackle the puzzles all alone. She sits properly during the class and does her work quietly. She is capable of fixing the puzzles of above 800 pieces.

Games

Jigyasa's favourite games are football and base-kickball. She is usually on time for games. Before she starts playing her sports, she stands for two minutes of concentration and then starts doing warm-up by running and doing the exercises. She loves doing exercises. She plays many games such as basketball, base-kickball, fun games, volleyball, etc. She shows interest in playing all types of games and is an energetic girl who loves running

while playing. Jigyasa is in the 'Lithium' group and loves playing with the children in her group.

Yogasana

Please refer to the group report.

Shramdaan

Jigyasa is in the 'Plantae' group during shramdaan. She enjoys doing shramdaan with her group. She does each of the cleaning activity such as school cleaning, toilet cleaning and cleaning in both the hostels with joy. She also does gardening and goes to the kitchen once a week to cut vegetables. She is good at cutting vegetables. She does each of the activities properly and sincerely. She enjoys doing school cleaning the most where she gets to sweep away the leaves and dust.

Satsang

Jigyasa loves singing. She attends the satsang regularly and tries to be punctual. She loves singing varieties of songs such as bhajans, patriotic songs, and songs in English, Hindi, Odia and sometimes in other languages. She learns songs attentively and is able to learn them quite fast. She has got a sweet and a

loud voice with which she sings confidently. She sings all the songs joyfully with her friends. When the children are made to meditate for a few minutes, she is able to sit erect and concentrate on herself with closed eyes.

Celebrations

Celebrations and festivals bring a lot of joy to Jigyasa. She actively takes part in the programmes. She is able to display her talents in dances, dramas and singing on the stage quite confidently. **On Children's Day, she loved dancing with her friends and learning kayaking at the picnic. Once she was confident, she enjoyed paddling with her partner Sakshi. She liked eating *pulau*, *chapati* and baked vegetable.** On 29th November, she had fun singing a sargam with her group on stage. Jigyasa is good at dancing and can learn the steps and remembers them quite easily. She performed two dances on Christmas while the other girls of her group performed just one. The one which she performed with her group was on the carol 'A merry Christmas'. She gave a splendid performance. She performed the other dance on the song 'Ishu aane wala hai' with Parul from Progress group. On 21st February (The Mother's birthday), she narrated a

Hindi drama on The Mother's childhood. She had a few lines which she spoke fluently and confidently on the stage. **Jigyasa had fun taking part in the Holi celebrations. She applied Holi colours to all her friends, some elders and the young ones. As she loves dancing, she danced a lot after playing Holi. She also had fun having mud bath. She liked drinking *lassi* and eating toffees.**

Sports Day- For the Sports Day programme, I participated in a Saree Dance. I enjoyed the dance a lot. I could not understand the alien language of the melody, but could remember the steps listening to the music and the repeated stanzas. Before the Sports Day performance, I performed for the MIS students, and even they liked our dance. My favourite formations

were when we made Sri Aurobindo's Symbol and wrote AMVM with the Saree. Sarees were charmingly bright and colourful. I am longing to do such a drill dance again.

Educational Trip to Odisha and Bihar
