DOB-27-Jun-2018

Attendance-179 days out of 182 days

Report for 2024-25 (Second term)

Introduction

Nitesh is six years old. Nitesh never takes a holiday. He is regular to school and always comes neatly dressed. He is happy coming to school and arrives with his younger sister. He always smiles and loves to play with his friends.

Project

National symbols topic

Nitesh drew all the national symbols and put in his best effort. He knows some of their names and showed curiosity about the lotus seed and was eager to watch a video on it. He was interested in learning the names of the national symbols. He is able to answer the questions asked.

Insects topic

Nitesh was very happy looking at insects. He observes insects quietly and carefully. He found it challenging to draw insects but made an effort to do so. He enjoyed watching videos about insects. He showed curiosity about cobwebs in the play area.

Shapes topic

Nitesh was enthusiastic about creating different shapes and objects using jodo straws. He completed a drawing activity on shapes. He learnt the names of shapes and can recognize them. He was interested in learning songs about shapes. He confidently answered the questions related to these topics.

Sometimes he asked questions

Math

Nitesh has a good understanding of mathematical

concepts. He is able to do mental additions in abacus using two codes. He can show

the number till 200 on the Abacus with fast calculations but his speed slows down when bigger numbers appear. He can recognize numbers up to 1000 and can write numbers accurately till 500 using Hundreds, Tens and Ones. He is able to perform mental calculations

involving small numbers with ease and accuracy and requires help in bigger numbers.

Singing and drama

Nitesh does all the activities done in the class. He has learnt the alphabets and can tell the sounds of the alphabets. He was a narrator in the drama of the Mother that was done on 21st of February. He told his dialogues nicely.

English

Nitesh can recognize all the alphabets and can arrange them in the correct order. He has also learnt the sounds of the letters. He concentrates in the class and enjoys singing the alphabets songs and loves participating in action songs. He listens attentively to stories and shows curiosity in learning. Nitesh enjoyed listening to the stories of Curious George and was more interested in watching the video. As a fast learner, Nitesh quickly remembers lyrics and dialogues.

Art

He is a very good boy and he loves to do drawing and paper folding. In the class when he is given to draw any picture then he tries to finish his neatly and cleanly but his coloring is not very good but he tries to color his drawings properly. In the puzzles class tries to do the easy puzzles and when he is puzzles with his friends then he finishes it very quickly.

Games

Whichever game Nitesh and his friends will be playing, he always wants to be the tagger or it. He becomes very happy to make Sansiddha and Akash out. His running speed is very good. He doesn't get tired easily. After playing for one hour, he wants to play more. In rani kabaddi game he wants to be the queen so that he makes his team win.
