INTRODUCTION

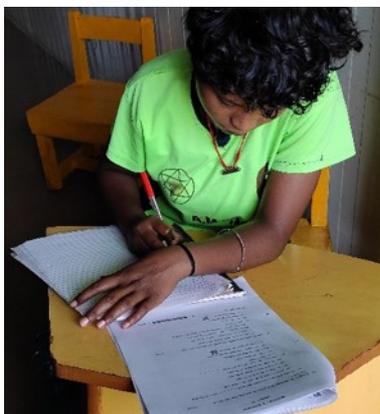

I am Tulika and I am 15 years old. I have just completed my 10th board exams of NIOS. My result has also come, and I have got good marks in Maths and Science. I have stated studying for 12th class and the subjects that I have taken are: Home Science, Painting, Data entry, English and Physical Education. I have started

studying only three subjects and the other two I have not yet started. Nowadays I am volunteering in teaching small children of our school. I stay with the small children and take care of them. I love children very much and I do many activities with them.

HOME SCIENCE- I have just started studying Home Science for 12th class. I have completed some chapters and I am doing the terminal questions of these chapters. I am enjoying studying Home Science because it is very interesting and it tells us about our home. It also teaches us how to take care of children and how to behave with them. As I help in the kitchen in the morning, I practically get to know about the things in Home Science.

DATA ENTRY- I have started studying data entry with Lalu Bhaiya. I have completed some chapters of the book, done question-answers and given a test. I got good marks in the test. I have to now remember the short-cut keys of the computer. I am improving my typing speed with the help of typing master and enjoy typing. Lalu bhaiya gives me objects to make in word program and I was able to do it nicely.

ENGLISH - I like to study English. I have read many books from the library. I like comedy, horror, and adventure books. I have not started the class 12th course.

GAMES - I like to play games and make small children play. The games that I play are basketball, football volleyball, frisbee and minor games. I like basketball the most and I

win most of the games. On Sports Day, we won the basketball match. In the field, I do exercises and running before starting to play. I love to do exercises before games.

SHRAMDAN- In the mornings, I do shramdan. In shramdan, I do kitchen work, hostel cleaning, toilet cleaning, school cleaning and gardening. I like doing shramdan in kitchen because I like to

cut vegetables. In hostel cleaning. I like to sweep the floor in school cleaning, I like to sweep the groups. In gardening, I like to water the plants. I like to do shramdan in the morning.
