

# RATNESH KUDUBI

Age: 5 years

Ratnesh is from the Leduguda village. Even though he has started staying in the hostel, he is irregular to school. He wants to continually go home.

He does chanting in a group. He can't do it by himself, he is not confident. Mostly it is difficult for him to sit still and calm for chanting. He likes to do the chant - Asatoma Sat Gamaya and Prayer - Raja Ram Raja Ram

He mostly leans forward while sitting posture. He's encouraged to sit straight.

Very regularly Ratnesh puts his head down, if he wants to sit quietly. Only sometimes he is excited.

Ratnesh is friendly and plays around with everyone else in the group. His best friend is Kapil, they do lots of mischief together.

# RATNESH KUDUBI

Age: 5 years

Ratnesh requires individual attention. He needs help and support to do all activities, math, chanting, singing, etc.

## ENGLISH

Ratnesh is a keen learner. He picks up concepts in English. However he is reluctant at using whole sentences.

He enjoys playing games like "hot potatoes" and "what time is it Mr. Wolf"

He likes singing the rhymes - this old man. When communicated in English he responds using some English words.

## HINDI

Ratnesh has picked up Hindi well. He is doing well in speaking, reading two letter words and writing.

He thinks/imagines stories to tell.

He liked doing alphabet books, where he drew object having names starting with particular letters. Later he would tell stories about them

He has developed a good handwriting also.

He has completed the handwriting book. He took lot of interest in doing his book.

## MATHEMATICS

Ratnesh counts up to 100 confidently, he is learning to count beyond 100.

He also counts by 2s and 10s without difficulties and has started to count by 3s. He understands the concept of greater than and smaller than.

He writes numbers from 1-20, has difficulties in writing the number 6. He picks up new Math concepts quickly.

He responds to no. before and after up to 50 quickly. He recognises all numbers and writes them clearly

## SKILL DEVELOPMENT

Ratnesh is neat in his skill work. He draws with full concentration. Everyday his drawing and colouring is improving.

# RATNESH KUDUBI

Age: 5 years

He is very much interested in cutting and pasting. When we took up the Nature topic he worked quite actively.

## PHYSICAL DEVELOPMENT

Ratnesh is very fond of tree climbing.

He also likes running in the field.

# RATNESH KUDUBI

Age: 5 years

He likes to play the game Apple-Apple - Banana-Banana

Playing in the sand pit is also his favourite activity.

Ratnesh is picking up well. He only needs to be regular to school.
