

PRAKASH KRISANI

2021-22

DOB- 27th May'08

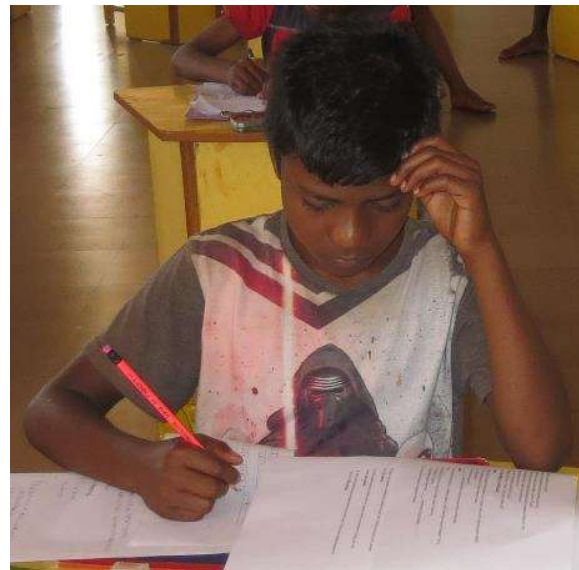

My name is Prakash. I'm studying in the 10th class from NIOS (National Institute of Open Schooling). I like to study English, Hindi, Home Science and Social Science. In Social Science I like Geography the most. I like to play games and study. I like to stay in the hostel because I get to study more.

ENGLISH

Now I am studying from the 10th class English course book of NIOS. I can understand stories but understanding the poems takes time. I like to study grammar. I can read fast and can understand.

Gitu didi who had come from Assam for one month, made us do many activities related to the stories and poems given in our coursebook. We did activities on 'Noise pollution' and on the poem 'Nine gold medals'. I enjoyed doing the activities with my friends. I like to read books. I have to improve in speaking English and writing. I need to make my handwriting neater. On the Mother's birthday I had recited the poem 'Bride of the fire' with my friends. We also wrote poems on our own. I like to read storybooks in my free time.

GAMES

I like to play football. I usually play forward. I also play volleyball and basketball. My shootings are good in basketball. I like to play volleyball and I can play quite well. Before playing games we do exercises.

On sport day I had participated in the running races of 200 metres and 100 metres. We also did triple jump, long jump and high jump.

YOGASANA

I do yogasana in the morning from 6:00 to 6:30 am. I do stretching and other asanas. I learnt many different asanas from Ani didi. I need to bring perfection in many asanas. On 'Sports day' I had participated in a yoga performance with my friends.

PAINTING

I have started studying the theory part from the 10th class coursebook of NIOS. I'm studying the theory from Pranjal Bhaiya. I have completed one chapter in theory.

I am learning the practical part with Ramesh Bhaiya. I'm learning pencil shading, and colouring with oil pastels, water colours and poster colours. I am good at pencil shading but still need to be better. I love drawing animals and sceneries of nature.

SOCIAL SCIENCE

I have completed the 8th class book of Social Science. Now I am studying from the 10th class book of NIOS. Two chapters are completed and now I'm doing the revision for the test of the second chapter. I study Social Science with Neela Didi. We write notes and do question answers in the class. I need to

work harder in Social Science.

Gitu Didi and Neelum Didi who had come as guests taught us Social Science. I could understand properly what they taught. We watch news about the relationship of India with other countries. We learnt about the written and unwritten constitution. We also gave speeches on the freedom fighters in the class. On 15th August, Gratitude and Humility groups had performed a play on 'Tribal movement'. I had played the role of a Britisher.

HINDI

I am studying from the 10th class course book of NIOS in Hindi. The first book is completed and now I am studying from the second book. I like all the stories and poems given in the book. I can understand them quite easily. I am able to solve the questions given after every chapter. My handwriting is good. I get passing marks in the tests, still I need to work harder. I can read properly. Manisha didi takes our Hindi class and I enjoy studying with her.

HOME SCIENCE

In Home Science, the first book of 10th class coursebook of NIOS is completed. In the test of the whole book, I scored 24 out of 45. I liked studying all the chapters of the first book. From the second book, the first chapter is completed and I'm doing the question answers of the second chapter. We did the practical part with

Suhasini didi who had come from Assam for a month. I like to study Home Science.

COMPUTER

I like the computer class very much. I do typing master in the class to improve my typing speed. I am doing the 6th lesson now in typing master. Sometimes I get bored doing typing master, I play typing games.

SHRAMDAN (Work offering)

In shramdan we do different activities like toilet cleaning, hostel cleaning, gardening, school cleaning and kitchen work. On the day of toilet cleaning, I clean the toilets and sweep the area in front of the toilets. On hostel cleaning day, I do mopping of the dining area, clean the drain and sweep the verandas. In school cleaning, I clean the groups and sweep the paths and veranda. On the turn of kitchen, I cut vegetables. On the day of gardening, I do digging of soil in the garden and

water the plants.
