

Pramila muduli

DOB-18-Aug-2008

Attendance-180 days out of 182 days

Report for 2024-25 (Second term)

Introduction

My name is Pramila Muduli, and I am a student at AMVM. I am currently 16 years old and have completed my 10th grade. Now, I am studying in the 12th grade. I am diligent in my studies and actively participate in both learning and volunteering activities.

I have completed my Home Science and History exams. Now, I am preparing for my English, Physical Education, and

Painting exams.

Shramdan (Community Service)

I contribute by cleaning my own hostel. In the girls' hostel cleaning activities, I am responsible for tasks such as cleaning the stairs, wiping the floors, cleaning open drains and toilets, and maintaining the water filter. I carry out these responsibilities diligently every day, often in collaboration with assigned partners.

Games

I first do exercises before starting to play. I enjoy playing with my friends. My favourite games include football, basketball, base-kickball, and volleyball, with basketball being my primary choice. Sometimes, my friends and I have matches against the boys.

Celebration

During festivals, I sometimes perform dances. On New Year, I performed a dance with my friends to the song *Ajana*. On Sports Day, I participated in the saree drill along with small children and some older students.

Volunteering

In my volunteering role, I teach the youngest group of students at school. My activities include teaching chanting, songs, colouring, and engaging in simple maths activities like counting and pattern recognition using small seeds. I also introduce them to puzzles. They have learnt Hindi.

Occasionally, to manage their restlessness, I organise movie sessions where they can relax and enjoy. Overall, I find volunteering to be a rewarding experience that fosters my leadership skills and enhances my ability to engage effectively with younger students.

I taught them the dance *Bum Bum Bole*, which they performed on the 29th of November. On Christmas, they sang *Jingle Bells* with actions. On Sports Day, they performed the *Jumbo* dance. They did it very beautifully and nicely.

Trip

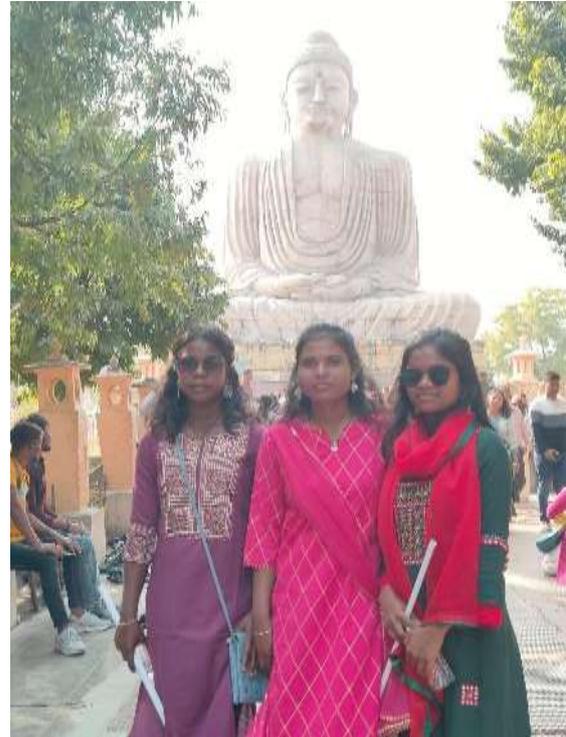

We started our trip on the 25th of January. On the 26th, we reached Bhubaneswar and visited the Science Museum. There, we saw many things related to science, such as the mirror maze and Kepler's theory of planetary motion. We also watched some experiments.

After that, we went to Aul and visited Varaha Mandir and Bhitarkanika.

In Bhitarkanika, we saw many crocodiles and learned how crocodiles are bred.

In Baleshwar, we visited Sri Aurobindo's shrine and Panchlingeshwar Temple, where we touched five *lingas* of Lord Shiva. We also went to Khiro Chora Gopinath Temple, a waterfall named after Sita, and Chandipur Beach.

In Baripada, we visited Simlipal, a tiger reserve, and went on a zoo safari. We saw fowl, wild boar, peahen, and a baby tiger. We also visited a Jagannath Temple.

After that, we left for Bihar. On the first day, we visited Dashrath Majhi Road and Vishnupad, where we saw Sita Setu and Sita Mandir. The next day, we bathed in Brahma Kund. After that, we went to Jarasandha's Malyudh, where Bhim and Jarasandha had fought. We also saw the tracks of a chariot.

Then, we went to Bodh Gaya and saw the Maha Bodhi Tree. We visited many Buddhist temples, such as the Japanese Temple and the Chinese Temple.

During the Nature Safari, we walked on the glass bridge, crossed the suspension bridge, and did sky cycling.

At Pandu Pokhar, we played basketball, football, polo, carrom, badminton, and air hockey.

We also crossed the Burma Bridge, did zip-lining and bull riding, and enjoyed a special boating experience.

We also visited Nalanda University, where we learnt more about its history. At Swarna Bhandar, we saw where the treasure of King Bimbisara is kept. In Pawapuri, we visited Jal Mandir.

After that, we returned to Rourkela, where we visited the Hanuman Temple, Kali Temple, the birthplace of Ved Vyasa, and the Saraswati River.

The next day, we left for Kechla and returned on the 7th of February.
