

Shruti Khosla

Date of birth- 11th Dec- 20

Annual report for 2023-24 (Second term)

Introduction:

Shruti, hailing from a nearby village, is a newcomer to the school. Initially, she was tearful upon arrival, but she quickly adjusted and now finds joy in attending school regularly. She has a fondness for playing with blocks and toys and attempts to communicate in Hindi. She is content to sit quietly as well.

Circle Time:

During circle time, Shruti demonstrates a willingness to participate by sitting attentively and attempting to chant the rhymes aloud. She takes her time to learn the chants, having mastered "Asotoma Satgamaya," "Shri Vakratunda Mahakya," and "Om Anand Mayee." She enjoys performing actions along with the songs, having also learned many songs

including "Hathi Aaya Jhumke," "Machli Jal Ki Rani," "Dhobi Aaya," "Lal Lal Motor," and "Choti Si Munni."

Activities:

In activities, Shruti delights in playing with dolls and blocks. She enjoys scribbling on paper and engaging in finger painting. Colouring pictures drawn by the teacher is another activity she enjoys.

English:

During English class, Shruti sits

stones to arrange and play with.

attentively and takes pleasure in viewing the pictures in the book. She diligently learns new words and repeats them after the teacher. She is currently expanding her vocabulary, learning words such as "sun," "flower," "elephant," and "star."

Maths:

In maths class, Shruti is in the process of learning to count from one to ten. While she attempts counting independently, she still requires assistance. She enjoys creating designs and arranging objects, particularly collecting leaves and

Programs:

Shruti eagerly attends programs and recently performed a song on Mother's Birthday for the first time. Although she felt shy and nervous on stage, she enjoyed the experience. She particularly enjoys watching dances during programs and indulging in sweets on such occasions.
