

Sruti Bishoi (Sahana)

2021-22

DOB- 26th May'17

Sruti is a charming and cheerful child. She is regular in the school. Initially she would cry while coming to school as she was the only child in this group from her village. But after a few days she settled down in the group without creating any disturbances. Her clothes get dirty by the time she reaches school but when she is given clean clothes, she likes to wear them. And when she gets new clothes her face glows. Initially, she was not comfortable in talking to anyone in the group.

But slowly she developed friendship with everyone. She started talking a lot in the village language. She liked eating Rice, Dal and Potatoes only. Now she needs to develop healthy food habit.

CHANTING- In chanting time, she sits in a meditative posture. She chants loudly though her words are not very clear. She likes to sit near Didi while singing and she sings happily. All her actions are energetic and active. She has learnt a few songs.

DRAWING- She has a good sense of colour. She uses light colours for scribbling and colours beautifully. Her colours don't cross the outline. She normally does not get distracted while colouring. She draws beautifully with patience.

DANCE- She loves to dance and is spirited when listening to the music. She copies the dance from didi when English rhymes are put. But in other music she is very creative. She beautifully dances on her own.

GAMES- She is filled with vitality in games period. She jumps happily, runs fast and does the exercises nicely. She also enjoys fun game.

MOVIE- To sit in front of the TV and watch the rhymes is a difficult task for her. She can't sit properly and concentrate for long. But the first 10 minutes she sings the rhymes with the TV and slowly she comes to a playful mood and starts fidgeting.

Shruti is an independent girl who is confident in her gross motor skills. She is taking time to comprehend the new languages- Hindi and English. But she has a good capacity for learning and will learn quickly.
