

# Baghishri Muduli

DOB- 27<sup>th</sup> August '16

Report for 2023-24 (First Term)

Attendance- 175 out of 183 days

## Introduction

Baghishri is seven years old and resides in the hostel. She maintains her neatness when coming to school and has a fondness for noodles. Baghishri is not one to drop food while eating, and her best friend is Namita. Additionally, she enjoys watching movies on Sundays.

## Projects

1. **Family:** Baghishri learnt about family members and used her artistic skills to create pictures of them. She constructed a family tree and gained insights into each family's composition. Additionally, she enjoys singing family-related songs.

grasp of sense organs' functions is also noteworthy.

3. **Shapes:** Baghishri effectively learnt about different shapes, their names, and properties. She enjoys drawing shapes and can confidently identify them.

2. **Body Parts:** Baghishri exhibited proficiency in recognizing body parts, their names, and functions. She actively participated in sensory perception activities, demonstrating an ability to identify various items through taste and smell. Her

4. **Vegetables** Baghishri demonstrated good knowledge of vegetables and was able to recognize and name them. She confidently spoke about onions, asked riddles, and played engaging games. She also showed creativity in clay modelling, creating an onion. Her interest in learning and quick memory were notable.

5. **Health and Hygiene** Baghishri actively participated in activities related to health and hygiene. She created drawings illustrating cleanliness practices, such as bathing, brushing, and handwashing. Her enthusiasm for learning and performing handwashing activities was evident.

## English

Baghishri is a quiet student who loves learning songs, has a soft voice, and quickly comprehends words and stories. She actively participates in discussions after stories and tries to speak in English, often using full sentences. In the dramas, she played the roles of a narrator and delivered her lines confidently.

## Hindi

Baghishri stands out as an intelligent and enthusiastic learner, swiftly absorbing new

concepts. Her creativity shines as she crafts short stories and shares them with her friends. Eager to learn, she listens carefully to stories narrated by teachers, staying focused and quick to respond to questions. Baghishri has successfully learned the Hindi alphabet, and she is adept at recognizing vowels (swar) and some consonants. Her pronunciation is clear, and she remains attentive during lessons. In addition to her grasp of the alphabet, she has fluently learned the names of shapes, vegetables, colours, and poems, showcasing her ability to memorize lines.

## Maths

Baghishri is a quiet but smart student who excels in answering questions and quickly grasping new concepts. She is adept at addition, whether it's one digit by one digit, two digits by one digit, or two digits by two digits, with and without objects. Initially, she had difficulty with understanding addition with carrying, but with practice, she improved significantly. She is skilled at solving addition word problems. Baghishri is proficient at identifying numbers that come before, after, and between other numbers and is also good at skip counting, particularly by twos. She occasionally takes a bit more time when skip counting by threes. She is showing progress in subtraction, particularly when it's presented in the context of word problems, and she understands more than and less than comparisons.

## Arts

Baghishri has a strong affinity for drawing, often creating various subjects such as flowers, trees, mountains, sun, and more. She excels at paper folding, adeptly following the teachers' instructions. Her

folding are neat and precise, and she can even craft items like boats and boxes. Bhagishree is also willing to help her friends with their paper folding tasks.

## Puzzles

Baghishri often partners with Dipa when solving puzzles and takes great pleasure in referencing the provided picture while working on puzzles, particularly those featuring Barbie themes. Occasionally, she also engages in solo puzzle solving, demonstrating proficiency with both 50 and 100 piece puzzles.

## Dance

Baghishri tries to pick up dance steps while observing the teachers. She learned "Vrindavan Mein Gopi Aaye" and performed it well during Janmashtami. She is shy about dancing alone but enjoys Zumba dance and tries to dance well.

## Games

Baghishri is a good student who listens to the teacher attentively and puts in her best-efforts during games.
