## ENGLISH

Gupto's reading skill had improved a lot. He likes to read animal stories. He reads the books slowly. He completes one book within 3-4 days. On the day he is interested in reading, he reads the book quickly. He can now break the words. But if it is a difficult and long word, he waits for the teacher to tell him. Gupto's writing skill is very poor. His spellings are very bad and he is very slow at writing. He enjoys the grammar. He can understand grammar but forgets easily. He never tries to speak in English and he cannot even express his feelings in English. While doing role play he always tries to do his best. He shows interest in songs but hesitates to sing. He finds it difficult to make his own story. It is very difficult for him to tell a story in his words. He has developed in spoken English.

## HINDI

Gupto is good in Hindi and he is very focused in his own work in any topic. If he finds any difficulties then he asks didi. Now he is Continuing “Bhasha drishti” class – 4. He has tried to learn all topics in grammar. And he has tried to attempt Hindi grammar test. He has learnt Verb, noun and pronoun, gender, singular and plural. But he can't retain for long.

## ODIA

Gupto is a hardworking boy. He is a slow learner. His reading, writing and understanding skills are poor. He likes to write from the book. Sometimes Gupto can read and write at below average level, but at other times he lacks interest in any activity.

## MATH

Now he is doing concept of division from 4<sup>th</sup> book. He is interested in maths. Many times he makes mistakes in simple calculations. He understands the concept but forgets. He can't identify between plane shape and solid shape. Many times he needs examples and objects to understand the concept. Now he has remembered multiplication table till 11 and he can multiply 4 digit number with three digit number. In measurement, he has used measurement tape and scale but still he is not clear about the different units of measurement.
