Report for 2022-23 (Second term)

My name is Gupto Kamar. I am in Humility group and now I am preparing for my 10th class board exam. I like to play games with my friends. My ambition is to do hard work in my life and succeed.

HINDI

Sometimes we go to read a storybooks in the library with our Hindi teacher. Now I have stated 10th class textbook. After coming to 10th Class, I have improved my handwriting and now I can write fast. A few days back we have completed our first book and now we are giving a test.

On the Mother's birthday we wrote a poem about Mother and we stuck the poem on the display board.

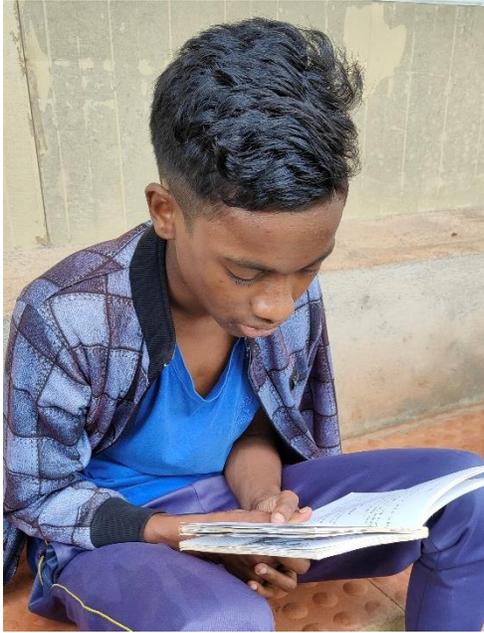

SOCIAL SCIENCE

I have stated 10th class NIOS of social science. I study social science with Bhaiya. Now I am doing 3rd chapter of social science which is of civics.

In social science there is 3 subjects- history, geography and Civics. Civics is a little difficult for me. Earlier I was doing the 8th class of social science. It was easy for

me. We presented a drama on a freedom fighter named Birsa Munda. I had the character of a villager.

ENGLISH

In English class we are doing 10th class book and now we have studies up to- 'Tiger comes to town' which is chapter 6. After this we will give a test of this chapter. Sometimes we go to read English storybooks to the library. I also study grammar. In grammar I have done direct and indirect verbs and all the other topics in my course. I also did letter writing in English. In NIOS book I read some stories like Kondiba a hero, snack bite, tiger comes to town and tall tree. When Geeta didi come to our class, we did many activities and we performed a drama.

SHRAMDAN

I like to do morning Shramdan. I do Shramdan like kitchen, toilet cleaning, school cleaning and gardening. In kitchen I used to bring water for the filter and cut some vegetables. In gardening I used to remove weeds and water the plants and grow plants. In school cleaning I used to clean my group and the school.

GAMES

In sports, my favourite games are football and volleyball. In football I used to be goalkeeper and I like to kick the ball. I played many fun games on sports day. I also played a football match on sports day.

On sports day I liked doing triple jump and long jump and 100m and 200m races. In all these, I was the winner.

DATA ENTRY

In data entry we have finished some chapters like Basics of computer and Data formation. I have also given the test of two chapters. We study with Lalu Bhaiya. We are enjoying this class because in class we using computers to learn. In class I answer the questions from the book. We also write notes in our notebook.

HOME SCIENCE

In home science we have completed book-1. We have also given the test. In home science class we are doing Question Answers. We like to do practicals with Shivani Didi. In practical we

make Paratha and tomato chutney.

YOGA

I do not like yogasan. I do many asanas like padmassan, handstand, Surya namaskar, etc. My leg pains so much when I do yogasana. We performed yogasan on sport day. And now we don't do yogasan because of my exams.
