

Debaki Bhumia

DOB-08-Sep-2017

Attendance-166 days out of 182 days

Report for 2024-25 (Second term)

recognizes a few shapes and knows the names. She could answer questions related to the topic.

Insects topic

Debaki learnt the names of the various insects. She did the drawing of different insects. She has

Introduction

Debaki is seven years old. She comes to school from home and is a regular attendee. She always comes neatly dressed and loves playing with her friends at school.

Project National symbols topic

Debaki completed the drawing of the national symbols neatly. She learnt the names of the national symbols. She enjoys singing songs but finds it difficult to memorize lyrics and has pronunciation problem. She has great interest in drawings.

Shapes topic

Debaki had fun playing the jodo straw game. She created different shapes and other things like bed, houses, table and chair. She

subtraction, which helps her practice in a fun way. Her focus and interest in math help her perform well.

English

Debaki has made good progress in alphabet recognition and arrangement. However, she faces some challenges in distinguishing similar sounds,

interest in singing the butterfly songs. She enjoyed watching the videos about the insects. She carefully observed the moving insects.

Math

Debaki is good at math and pays attention in class. She understands concepts quickly. She has learnt the double-cord abacus and is able to answer them correctly. Currently, she is learning number symbols and improving her understanding. She enjoys playing card games related to addition and

such as 'b' and 'v'. Debaki listens to stories with concentration, showing interest. She hesitates to answer questions related to the story. She needs to improve her pronunciation especially words like "happy". Dabaki takes time to learn song lyrics.

Art

She is a very good girl and she loves to do drawing, paper folding and puzzles all the three things. While doing drawing she tries to make her drawing as beautiful as she can

and finishes it very neatly and cleanly. While doing paper folding then if she is not able to any step then she goes to the teachers and asks then what the next step is. While doing puzzles she is now able to do 90 pieces of puzzles.

Singing and Drama

Debaki concentrates in the class. She has learnt the alphabets and can tell the sounds of the alphabets. For 21st of February she sang a song *jahaan jahaan mai jaun*. This song was taught to them by Bina didi. They also did action while singing the song. She likes to

dance.

Games

Debaki loves to run and she gives her best in playing games. Her running is good and she loves

playing the chain game and hide and seek. Before the game starts she wants to be pursuer. She is active during games and follows the instructions.
