

# Ambika Khara

DOB: 28<sup>th</sup> APR-17

## ANNUAL REPORT FOR 2023-24(SECOND TERM)

### Introduction

Ambika is a shy yet talented girl who maintains a constant smile. She exhibits a high level of focus in class and excels in her studies, confidently answering questions posed to her. Ambika's sweet demeanour and friendly disposition make her approachable to everyone, and she enjoys learning through different activities. Her performance in academics reflects her dedication and willingness to learn.

### Projects

Ambika is attentive and actively engages in project discussions. She comprehends the topics well and effectively communicates her understanding during discussions. Her enthusiasm for learning is evident, particularly as she discusses the topic of types of houses. She actively participates and enjoys the learning process.

### Mathematics

Ambika has made significant progress in maths during this reporting period. She demonstrates proficiency in solving addition and subtraction problems accurately and can explain the rules for adding numbers with 9, 8, 7, and 6. She enjoys solving story sums and applies addition and subtraction appropriately, showcasing a good grasp of mathematical concepts.

## English

Ambika is a well-mannered and sociable student who is open and friendly with her peers. She demonstrates a quick ability to learn songs in class, grasping them swiftly. Ambika has learned a variety of songs, including "The Five Little Monkeys," "Old MacDonald Had a Farm," and "Two Little Dicky Birds."

Participating in a play for the 21<sup>st</sup> February celebration, Ambika took on the role of a narrator. She delivered her dialogues on stage with grace and confidence, showcasing her ability to effectively convey the story to the audience without hesitation or shyness. Her performance demonstrated her comfort and skill in public speaking and acting.

## Arts and Crafts

Ambika enthusiastically participates in various art activities, excelling in drawing, painting, and paper folding. While she occasionally requires assistance in paper folding, her drawings are consistently neat and clean, reflecting her preference for green, especially when creating flowers.

## Games

Ambika completes tasks without getting tired. Her favourite games include "apple-banana," "mouse and cat," and "hide and seek." She remains calm even

when others don't pass the ball to her but struggles in games like touch ball and basketball.
